Trapped In Two Worlds My Darkest Dreams:

Trapped in Two Worlds: My Darkest Dreams Maria Palomino, 2014-04-16 Why we dream at night is still one of the greatest unanswered questions that scientists wrestle with Although there are many theories as to why we dream there are still no findings that give us a cohesive explanation Even so people all over the world continue to try to understand why they dream and to learn new insights from their nighttime reveries Maria Palomino has always had strange dreams since she was a little girl Dreams about being somewhere else fighting or getting chased by monsters or people or being in a situation where she has to escape She found her dreams to be adventures because every time she went to sleep she felt like she was wandering around the world going back to her past or into another dimension Every time she opens doors in her dreams she finds herself somewhere different or speaking another language Although the journeys she takes are sometimes a little peculiar she wants to share these experiences with her readers because she believes that many of us may have similar imaginings Are you ready to step into Maria's lucid dream world *My Darkest Dreams* Maria Palomino, 2016-04-15 Since she was a little girl Maria Palomino always had weird dreams Dreams about being somewhere else often very far away fighting or running from monsters and strange people Yet Maria found her dreams would become adventures Every time she fell asleep she felt like a traveler journeying to her past with people she met along the road of her life It felt like another world altogether Every door in her dreams opened a new and different place to explore where even speaking another language was easy The dreams may seem weird or even scary but Maria is a fighter who defeats the demons within them Because her world of dreams is as real to her as waking life Maria feels called to share these experiences with her readers She is sure that many others have similar dreams and can also share the ability to remember every detail Maria is not the only person who lives in two worlds *The Drop Edge of Yonder* Rudolph Wurlitzer, 2017-02-20 Time Out New York's 1 Best Book of 2008 ForeWord Magazine Gold Medal for Literary Fiction Rudolph Wurlitzer's first novel in nearly 25 years is an epic adventure that explores the truth and temptations of the American myth Beginning in the savage wilds of Colorado in the waning days of the fur trade the story follows Zebulon Shook a mountain man who has a curse placed on him by a mysterious Native American woman whose lover he murdered to drift like a blind man between the worlds not knowing if you're dead or alive or if the unseen world exists or if you're dreaming Zebulon sets out on the trail from Colorado venturing to the remote reaches of the Northwest a journey that traverses the Gulf of Mexico to Panama and up the coast of California to San Francisco and the gold fields bringing him face to face with mystics and outlaws politically minded prison wardens and Russian Counts each hungry to stake their claim on the American dream A novel of breathtaking scope and beauty *The Drop Edge of Yonder* reveals one of America's most transcendent writers at the top of his form **The Guild of Shadows** Laurie Bowler, 2024-08-09 Embark on a spellbinding journey with Genevieve Gen Thornhill a determined 17 year old whose world shatters when her brother Jack mysteriously disappears Unveiling his hidden life as a fearless member of an elusive guild of

hunters sends Gen hurtling through a mystical portal into a parallel realm where fairy tales give way to ominous realities. Joining forces with an eclectic band of warriors of The Guild: Sirus the wise and strong leader, Lila the mastermind tactician, Eldrin the enigmatic scout, Mara the lethal weapon wielder, Ola the secretive shadow, and Eli the empathetic healer, Gen treads a perilous path through a landscape fraught with danger. A steadfast friendship binds them as they confront challenges beyond imagination. Gen exposes a sinister scheme orchestrated by the malevolent Morlak that threatens to upend the delicate harmony between worlds. However, a harrowing revelation awaits Gen: an encounter that spirals into a clash of ideologies as she delves into forbidden magic to achieve her aims. The confrontation sparks a sequence of deceptions, sacrifices, and buried truths, plunging Gen into a maelstrom of doubt and treachery among those she once held close. Will Gen and The Guild defeat Morlak, or will his darkness take over the realm and all living things? Join The Guild of Shadows and experience a world where destinies are entwined and the battle between light and darkness hangs in the balance. **King of**

Hearts - the Field of Love Jasmuheen, 2009-01-04. Past lives, future lives, and the perfect moments of the present. Perfect love, profound love, and painful plus parallel worlds, and the art of dream weaving: all of this is covered in book 2 of the Enchanted Kingdom Series, as the Queen of the Matrix calls the King of Hearts to rise. In book one of this series, we witnessed the redemption of dark hearts with Agra's journey back to the Garden of Isis, plus Tan's quest to reprogram the Terradac's codes. In this book, we discover the gypsy Jacob and his journey of transformation with a walk-in warlock as they deal with the Dark Ones of power and find the risen King. Via the stories of Tan and Rani, Loki and Aphrodite, plus Mary and Leila, we expand on both the ancient art of sexual tantra and the depth and weaves of love's fields with its layers of loss and the joy of dream's made whole. Again, we explore the complexity of metaphysical realities of multi-dimensional realms and share more of the ancient wisdom as it applies to the field of love. Burned James Anthony, 2024-02-12. Have you ever seen a child's toy so worn out that it seemed as if it would fall apart at any moment? A toy so worn down that you pitied it? Maybe that the child who owned it may have been too rough when playing with it. Just maybe that toy's excessive wear came from somewhere else. When you love somebody and don't hold back, no cost is too high to protect them. Don't pity these toys when you see them. Odds are that toy was a soldier. They deserve your respect. **Sinner's Creed** Kim Jones, 2016-03-01. First in a new series, welcome to the Sinner's Creed Motorcycle Club, where hard bodies and hot leather are made for each other, and love gone wrong is the most irresistible of all. I was the demon, possessed monster, and she was the innocent naive angel. But none of that matters. She asks, "I give, and right now I'll kill anyone who tries to stop me from giving this woman what she wants." Dirk lives in the shadows, performing hits, maintaining order, and upholding the no holds barred legacy of the Sinner's Creed Motorcycle Club. A nomad with a restless spirit and a cold heart, the open road is his world. One of the few constants in his life, his desire for the one woman who has consumed his thoughts for years. Saylor Samson grew up far from the harshness of Dirk's world. But ever since she was seventeen, she's been drawn to this dark and mysterious man who always

seemed to show up just when she needed him After years of fated encounters he s back This time he s taking her This time she s ready for the ride But just when the darkness in Dirk s life begins to fade Saylor reveals a secret that puts them both to the ultimate test Now Dirk has to make a decision submit to his destiny with the MC or choose his own **Distance**
