

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of orange, yellow, and brown. The road leads towards a bright, overexposed area in the distance, creating a sense of depth and perspective. The overall mood is serene and contemplative.

It was needless, after this, to say that all was
vanity and vexation of spirit; for it is impossible
to derive happiness from the company of
those whom we deprive of happiness.
