Maximized Parenting, 112 Solutions to the Parenting Problems of Today Francis Edo Olotu ,Catherine Olubukunola Olotu,2014-02-24 Effective parenting is about raising well adjusted children who are assets to society Maximized Parenting is a book which promotes effective parenting through equipping parents with the knowledge that fosters proper foundation for parenting According to Partnership for 21st Century Skills 2006 and American Management Association s AMA 2010 Survey many employers believe that higher education is failing in its role to adequately develop needed skills in students Parents with the help of this book can bridge the knowledge gap between what higher education provides and what the employment industry requires The book is for parents who consider parenting as one of their most important responsibilities in life One of the greatest assets a child could have is dutiful parents from whom he she learns the act of parenting Parents without this privilege are large in number and to them parenting is a dark continent which they find difficult to navigate This book is written to inform inspire and impart knowledge about parenting in the 21st century The book would enable parents interact with their children in a way that would motivate them to be outstanding persons in life In this information age you cannot limit your child to how you were brought up or what you know because he she was born in another era The gamut of issues covered in this book will equip you to bring up your child to be successful in life Issues treated in this book will help you know healthy parenting methods that are best for your child The book contains a very broad mix of issues a parent would encounter at every stage of a child s life It is written from the perspective that a parent s job is for life and as such parents need help to sustain their long term commitment to their children Issues covered include character building instilling moral values into children basic life skills at every stage of life sexuality education and handling children with special needs While the information in this book is specifically for parents the information would be useful to fathers groups men s groups women s groups grandparents extended family members and childcare providers that have opportunities to relate to children Research now and again has shown that a family is more important to a child s school success than how much money the family makes or how much education the parents have No parent who has read this book should ever ask How can I make my child a success in life The social commentator Michael Novak wrote on the importance of family One unforgettable law has been learned through all the disasters and injustices of the last thousand years if things go well with the family life is worth living when the family falters life falls apart The goal of Maximized Parenting is to fill the knowledge gap in you that will make you a better parent as well as an inspiration to other parents of the 21st century Choose to be an intentional parent who will put in the needed time energy and efforts to raise successful children Know that expensive toys and vacations are a poor substitute for the valuable time you need to spend with your children Refuse to outsource your parenting duties to care givers and boarding schools and you will be a stakeholder in the next generations

through your children who will pass on your legacies Remember when a parent dies one thing that cannot be buried with him her is his her impact on the lives of his her children those things become a living memorial in his her children Horrors in the Night Anthony Uyl,2015-11-28 This new revision of the OpenD6 rules presents a sandbox horror game complete with a list of new spells sanity rules monsters and a whole new way to create characters The integrity of the original WEG d6 system has been kept intact but new rules and additions have been made In no way has this compromised the original rules but rather has made them stronger and better The darkness lives the darkness breathes do you dare face it **Effective Teaching** Mathew Thomas,2008-07-14 This book serves as a useful tool to every teacher in making their teaching more effective This book helps in developing an environment conducive for learning and employing techniques for making effectual transition of knowledge and skills **Proceedings of the 3rd International Conference on Education for All (ICEDUALL 2023)** Harun Joko Prayitno,Yasir Sidiq,Naufal Ishartono,2024-05-27 This is an open access book Association of Educational Institution of Muhammadiyah Aisyiyah Universities ALPTK PTMA in collaboration with Indonesia Embassy in Kuala Lumpur University of Wisconsin Madison USA Universiti Pendidikan Sultan Idris Malaysia Fatoni University Thailand Majelis Diktilitbang PP Muhammadiyah Universitas Muhammadiyah Surakarta Universitas Muhammadiyah Malang Universitas Pendidikan Muhammadiyah Sorong Universitas Muhammadiyah Mataram Universitas Muhammadiyah Sidoarjo and IKIP Muhammadiyah Maumere proudly present the 3rd International Conference on Education for All that was held on August 22nd 2023 This conference arises a theme that is Presenting Exciting Education for All in the Global Computational Era **Getting to Where We Meant to Be** Patricia H. Hinchey,Pamela J. Konkol,2024-04-24 At a moment when brawls are breaking out at school board meetings and state officials are increasingly issuing curricular mandates it s possible that this text s central question is more important than ever How is it that given good intentions and hard work among education professionals things in schools can go so very wrong As in the first edition Hinchey and Konkol suggest that unspoken and misleading assumptions can produce choices decisions and policies with disastrous consequences for kids They tease out such assumptions on the key issues of school goals curriculum education for citizenship discipline and school reform inviting readers to question the taken for granted in order to better align intentions and outcomes Such contemporary issues as book banning and parents movements are presented not as isolated controversies but instead in their historical cultural and political contexts Designed for both undergraduate and graduate classrooms the text applies to a wide range of studies related to public education including its theory policy history and politics Without proselytizing the text asks readers to think for themselves and articulate their own commitments guided by end of chapter questions some intended for all readers and some specifically for experienced professionals Suggested additional readings websites and videos invite further exploration of the topics under discussion and offer still more food for thought *From Street-smart to Web-wise*® Al Marcella,Brian Moore,Madeline Parisi,2024-10-31 In a world where tiny fingers are as familiar with touchscreens as they are with crayons
