Her face is partially obscured by a translucent, flowing blue veil that drapes over her head and shoulders. The background is a soft, out-of-focus blue, creating a dreamy and ethereal atmosphere. Lily Whites of Steel Lindsay Evelyn Hamilton, 2013-12 Born into the flaming trenches of a true spiritual hell Lacey Hart spends her impoverished childhood lost in the strange shadow world between heaven and the demonic underworld in her senses She uses religion to mold herself into The Perfect Daughter so that she might evade her disturbed mother's malevolence Lacey is a demure child whose primrose sweetness and white laced stoicism hearken back to the puritanical era times when bewitchment infiltrated even the purest breath of beauty In school she is an idiot savant and she believes herself to be haunted by the devil But outside the physical emotional and sexual torture chamber of her home Lacey rarely ruffles feathers Then she turns eighteen Her sexuality which she has always felt had its roots in evil blooms like an overripe fruit from the center of her soul Around the same time Lacey and her best friend Sabrina uncover the gift that has both defined and isolated them all their lives intuition Emerging from the cocoon of their silence into awareness the two friends find themselves also immersed in the dark side of magic It is on this spiritual cusp between heaven and hell that they experience the heights of ecstasy but drift inevitably toward the dredges of humanity on the outskirts of life Like twinned flames Lacey and Sabrina embark upon the bohemian magical mystery tour of their twenties with the quixotic candor and unexpected bravery of the truly eccentric Then grave illness strikes unplanned pregnancy arises and they learn the power of true love to bloom one's spirit into the oneness with all things that is true freedom The story of two women who dare to submerge themselves completely into any given moment Lily Whites of Steel is a fearless exploration of the thin line between freedom and destruction dogma and authentic mysticism and perhaps most hauntingly of all truth and madness

Soul-Split Son RD Borden Jr., 2017-03-01 I've spent years developing my love of writing and placing that love into a synopsis of my life My poems aren't just words to be read They are gateways into my life My earlier works which will be

obvious to identify will briefly show the pains and transitions I've endured to be the man that has gone off to serve his country a man who was once a boy who proudly serves his community Later works express large amounts of pain and sacrifice to become the educated man of God I am now Although the listed entries are limited each page opens a part of my soul unknown to those even closest to me The Chela and the Path Elizabeth Clare Prophet, El Morya, 2009-06-10 The Chela and the Path contains personal instruction from the master El Morya for all spiritual seekers and chelas students of a spiritual teacher As El Morya Khan at the conclusion of the nineteenth century he is known for his efforts in founding the Theosophical Society with the adept Koot Hoomi and for his far reaching work in bringing together the ancient spiritual truths of the East with the traditions of the West El Morya's instruction came in part in the form of personal letters addressed to a handful of disciples of the Mahatma of the Himalayas Those letters are now on file with the British Museum in London Now with the incomparable skill of a Zen master El Morya teaches us in The Chela and the Path to see beneath the surface of daily life and the ego of the lesser self to become who we really are He calls us to experience life with the faculties of the soul as we learn and practice the keys to self mastery on the spiritual path A foundational work for all who aspire to a higher level of consciousness and spirituality **The Din in the Head** Cynthia Ozick, 2017-10-05 One of America's foremost novelists and critics Cynthia Ozick has won praise and provoked debate for taking on challenging literary historical and moral issues In her spirited essay collection The Din in the Head she focuses on the essential joys of great literature With razor sharp wit and an inspiring joie de vivre Ozick investigates unexpected byways in the works of Leo Tolstoy Saul Bellow Helen Keller Isaac Babel Sylvia Plath Susan Sontag and Henry James among others Throughout this bracing collection she celebrates the curative power of the literary imagination *The Path of Self Transformation* Mark L. Watson,2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics including in the nation s highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes love lives and sexual peccadilloes As Robert P Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders *Affairs of State* is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click [here](#) To see him discuss the book on C SPAN please click [here](#)
