Rousseau Jr.,2022-11-22 My dear friend God has His very unique way of planting His loving Christian saints in just the right places They are there to love just the right people at just the right time The ingredient of love is really the one ingredient that turns saints into true creations of God made after His own heart The Enduring Kindness of Christians has been their trademark They have their very own personal stamp which has set them apart from all others in the vast ocean of humanity This has been true ever since Jesus left His foot prints for them to follow By following His example saints have realized that they have found the great secret of life That secret can only be found when we choose to mine the great treasure chest of God's wisdom given to those who will spend their lives reading God's Word The Bible Each person who chooses to pick away in this mineshaft will find the greatest of all treasures and they will find the secret of life They will learn that we find the most pleasure in life when we are pleasing God When we are most satisfied with making God happy by the way we live our lives that having such an attitude will bring much happiness to God When that happens our lives bring glory to God and God in turn uses us for the benefit of others The Enduring Kindness of Christians to God be the Glory      **The Avon object**

esteem In my many years of working with children I have found that the key to helping our kids succeed in life is building up their self esteem at an early age In this book are valuable life lessons that have been tried and tested for more than fifteen years by myself and other parents and teachers in their homes and classrooms The subjects that are taught range from courage to forgiveness The lessons are fun and uplifting and have profound effects on children and their self esteem When children feel they have value they are happier and do better in school and in life I taught the lesson for PSE on Joy Thank you so much for such a great lesson I went to teach it to the kids at their level and left the classroom so encouraged and full of joy because I couldnt help but to understand the topic The kids enjoyed all the activities and we had such a fun time Again thank you so much for all the work you do to put this program together It doesnt just impact the children it was an amazing and timely reminder for me today Cristina Sands stay at home mom PSE is a wonderful program at our school The valuable lessons and discussion points are age appropriate and engaging We appreciate how they are grade specific Our students teachers and volunteers look forward to the activities and relatable topics each month Marlo Guerra PTA member and grounds supervisor
