Some Abstinence Programs Mislead Teens Report Says:

Sexual Exploitation of Teenagers Jennifer Ann Drobac, 2016-02-02 When we consider the concept of sexual abuse and harassment our minds tend to jump either towards adults caught in unhealthy relationships or criminals who take advantage of children But the millions of maturing teenagers who also deal with sexual harassment can fall between the cracks When it comes to sexual relationships adolescents pose a particular problem Few teenagers possess all of the emotional and intellectual tools needed to navigate these threats including the all too real advances made by supervisors teachers and mentors In *Sexual Exploitation of Teenagers* Jennifer Drobac explores the shockingly common problem of maturing adolescents who are harassed and exploited by adults in their lives Reviewing the neuroscience and psychosocial evidence of adolescent development she explains why teens are so vulnerable to adult harassers Even today in an age of increasing public awareness criminal and civil law regarding the sexual abuse of minors remains tragically inept and irregular from state to state Drobac uses six recent cases of teens suffering sexual harassment to illuminate the flaws and contradictions of this system skillfully showing how our current laws fail to protect youths and offering an array of imaginative legal reforms that could achieve increased justice for adolescent victims of sexual coercion

A 21st Century Rationalist in Medieval America John Bice, 2007 Exploring the power of preaching to the converted this motivating collection challenges other atheists secularists agnostics and freethinkers to become vocal and involved in their own local media adding a rational voice to the daily dialogue taking place in newspapers across the country

Pregnancy and Power, Revised Edition Rickie Solinger, 2019-07-16 A sweeping chronicle of women's battles for reproductive freedom Reproductive politics in the United States has always been about who has the power to decide lawmakers the courts clergy physicians or the woman herself Authorities have rarely put women's needs and interests at the center of these debates Instead they have created reproductive laws and policies to solve a variety of social and political problems with outcomes that affect the lives of different groups of women differently Reproductive politics were at play when slaveholders devised breeding schemes when the US government took indigenous children from their families in the nineteenth century and when doctors pressured Latina women to be sterilized in the 1970s Tracing the main plot lines of women's reproductive lives the leading historian Rickie Solinger redefines the idea of reproductive freedom putting race and class at the center of the effort to control sex and pregnancy in America over time Revisiting these issues after more than a decade this revised edition of *Pregnancy and Power* reveals how far the reproductive justice movement has come and the renewed struggles it faces in the present moment Even after nearly a half century of reproductive rights a cascade of new laws and policies limits access and prescribes punishments for many people trying to make their own reproductive decisions In this edition Solinger traces the contemporary rise of reproductive consumerism and the politics of free market health care as economic inequality continues to expand in the US revealing the profound limits of choice and the continued need for the reproductive justice framework

Health Education Glen G. Gilbert, Robin Sawyer, Elisa Beth McNeill, 2010-10-25 The skills necessary to plan and deliver efficient health education programs are fundamentally the same whether it is in a classroom workplace hospital or community Health Education Creating Strategies for School Community Health Third Edition provides the tools to make appropriate programming decisions based on the needs of the clients and the educational settings It encourages the systematic development of sound effective and appropriate presentation methods and demonstrates the evolving state of health education The philosophy presented in this text is based on the premise that the core of health education is the process of health education It is a must have resource for health education methods courses

Making Smart Choices about Sexual Activity Stephanie C. Perkins, 2008-01-15 Establishing one's identity is a huge part of being a teen During the process of self discovery most teens are regularly faced with difficult decisions regarding dating sexual activity and abstinence Too often in such cases they are unprepared to make informed responsible decisions Objective and engaging this title offers practical realistic advice to help teens understand the consequences of the choices they make regarding their sexuality

Unsung Heroines Ruth Sidel, 2006-04-28 This compelling book destroys the derogatory images of single mothers that too often prevail in the media and in politics by creating a rich moving multidimensional picture of who these women really are Ruth Sidel interviewed mothers from diverse races ethnicities religions and social classes who became single through divorce separation widowhood or who never married none had planned to raise children on their own Weaving together these women's voices with an accessible cutting edge sociological and political analysis of single motherhood today Unsung Heroines introduces a resilient resourceful and courageous population of women committed to their families holding fast to quintessential American values and creating positive new lives for themselves and their children What emerges from this penetrating study is a clear message about what all families two parent as well as single parent must have to succeed decent jobs at a living wage comprehensive health care and preschool and after school care In a final chapter Sidel gives a broad political economic analysis that provides historical background on the way American social policy has evolved and compares the situation in the U S to the social policies and ideologies of other countries

Behavioral Interventions for Prevention and Control of Sexually Transmitted Diseases Sevgi O. Aral, John M. Douglas, 2007-07-19 Before AIDS the role of behavioral interventions in preventing transmission of sexually transmitted diseases was acknowledged in text books and journals but rarely promoted effectively in public health practice Informed by a comprehensive knowledge of behavioral theory intervention methods and affected populations the authors of this important book examine the central role of behavioral interventions in combating STDs The book addresses the complexities and social contexts of human behaviors which spread STDs the cultural barriers to STD education ranging from conservative mores to stay out of my bedroom libertarianism and the sociopolitical nuances surrounding treatment Over forty contributors offer a practical appraisal of what is being done now and what can be improved such as an overview of current behavioral and biomedical interventions

for STD prevention and control a discussion of what works for individuals groups and communities up to date thinking about such traditional prevention approaches as partner notification and health care seeking STD prevention strategies with high risk populations including drug users gay men teenagers incarcerated persons and persons with repeat infections the state of prevention technology condoms vaccines the Internet ethical economic and policy issues in STD prevention applying intervention models to real world situations guidelines for program evaluation and improvement As STDs and AIDS remain top priorities for public health and private sector practitioners researchers and educators Behavioral Interventions for Prevention and Control of Sexually Transmitted Diseases gives a long neglected field the attention it deserves This authoritative resource is sure to influence public health practice and policy in an ever evolving social climate Packaging Girlhood Sharon Lamb,Lyn Mikel Brown,2025-06-25 The stereotype laden message delivered through clothes music books and TV is essentially a continuous plea for girls to put their energies into beauty products shopping fashion and boys This constant marketing cheapening of relationships absence of good women role models and stereotyping and sexualization of girls is something that parents need to first understand before they can take action Lamb and Brown teach parents how to understand these influences give them guidance on how to talk to their daughters about these negative images and provide the tools to help girls make positive choices about the way they are in the world In the tradition of books like Reviving Ophelia Odd Girl Out Queen Bees and Wannabees that examine the world of girls this book promises to not only spark debate but help parents to help their daughters *Slouching towards Gaytheism* W. C. Harris,2014-02-19 Slouching towards Gaytheism brings together two intellectual traditions the New Atheism and queer theory and moves beyond them to offer a new voice for gay Americans and atheists alike Examining the continued vehemence of homophobia in cultural and political debate regarding queer equality this unabashed polemic insists that the needs met by religion might be met more safely and less toxically by forms of community that do not harass and malign gay and lesbian Americans or impede collective social progress W C Harris argues that compromises with traditional religion no matter how enlightened or well intentioned will ultimately leave heteronormativity alive and well He explores a range of recent movements such as Dan Savage s It Gets Better project reparative ex gay therapy Christian purity culture and attempts by liberal Christians to reconcile religion with homosexuality and shows how these proposed solutions are either inadequate or positively dangerous According to the author the time has come for gaytheism leaving religion behind in order to preserve queer dignity rights and lives

Pregnancy and Power Rickie Solinger,2005-11 A chronicle of women s battles for reproductive freedom throughout American history Pregnancy and Power explores the many forces social racial economic and political that have shaped women s reproductive lives in the United States Leading historian Rickie Solinger argues that a woman s control over her body involves much more than the right to choose an abortion Reproductive politics were at play when slaveholders devised breeding schemes when the U S government took Indian children from their families in the nineteenth century and when

doctors pressed Latina women to be sterilized in the 1970s Pregnancy and Power is filled with powerful accounts of the fights women have waged in this country to control their bodies and their destinies against anti miscegenation laws labor laws anti contraception laws and recent welfare reform laws that punish poor women for having children BOOK JACKET

Citizenship, Education and Social Conflict Hanan A. Alexander, Hallel Pinson, Yossi Yonah, 2012-01-04 This volume provides new perspectives into the challenges of citizenship education in the age of globalization and in the context of multicultural and conflict ridden societies It calls on us to rethink the accepted liberal and national discourses that have long dominated the conceptualization and practice of citizenship and citizenship education in light of social conflict globalization terrorism and the spread of an extreme form of capitalism The contributors of the volume identify the main challenges to the role of citizenship education in the context of globalization conflicts and the changes to the institution of citizenship they entail and critically examine the ways in which schools and education systems currently address and may be able to improve the role of citizenship education in conflict ridden and multicultural contexts **Reclaiming Our Future** Cathy J.

Cohen, 2005 **Bashing Back** Wayne Besen R, 2013-01-11 The Best of Besen Bashing Back Wayne Besen on GLBT People Politics Culture is a compilation of 72 columns from the outspoken GLBT activist and author of Anything But Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth Funny provocative and informative this unique book puts a progressive spin on hot button topics in the political cultural and social arenas covering everything from AIDS and African Americans to Zach Stark Bashing Back presents an A to Z look at Besen's worldview on a wide range of topics including Bill O Reilly Brokeback Mountain Ellen DeGeneres gay pride parades marriage rights Mary Cheney overhauling the gay movement religion and politics sports and homophobia The Passion of the Christ the pitiful state of TV news the Vatican's war on gays the World Trade Center and New Orleans Smart and funny Besen delivers a knockout punch to the notion that liberalism stands for nothing and progressive means passive From the author The columns I have chosen for this book touch on politics and people comedy and culture But most of all they are a strong defense of the liberal values that have made this nation strong It is time we proudly stand up for what we believe in If we don't defend our values our opponents will define them Bashing Back is the first punch in a fight to take back our culture and restore progressive values for the good of the nation An excerpt from Bill O Reilly Once upon a time I actually enjoyed The O Reilly Factor While I almost always disagreed with him he was at least entertaining Lately however he has morphed into just another Bush mouthpiece The master of the No Spin Zone is suddenly spinning so hard he is in the Twilight Zone dizzy in his own deception He even had the audacity on CNBC to suggest that Fox isn't a conservative news outlet That's beyond spin If it were closer to Hanukkah I'd think O Reilly was a dreidel My other problem with his show is that it's unnaturally obsessed with gay issues More gay people appear on The O Reilly Factor than on Showtime's Queer as Folk I know that sounds strange coming from a gay columnist who has twice appeared on his show But it seems like he's had on every gay person in America to use as his personal political pi ata

When even gay activists are tired of watching gay segments it's time to find a new culture war issue. *Bashing Back* is an invaluable compilation of Besen's best columns from Planet Out Gay.com and the Washington Blade. It's an essential resource for longtime Besen readers and an entertaining introduction for newcomers.

Condom nation : the U.S. government's sex education campaign from World War I to the Internet Alexandra M. Lord, 2009 This history of the U.S. Public Health Service's efforts to educate Americans about sex makes clear why federally funded sex education has been haphazard, ad hoc, and often ineffectual. Since launching its first sex ed program during World War I, the Public Health Service has dominated federal sex education efforts. Alexandra M. Lord draws on medical research, news reports, the expansive records of the Public Health Service, and interviews with former surgeons general to examine these efforts from early initiatives through the administration of George W. Bush. Giving equal voice to many groups in America—middle class, working class, black, white, urban, rural, Christian, and non-Christian—scientist and theologian Lord explores how federal officials struggled to create sex education programs that balanced cultural and public health concerns. She details how the Public Health Service left an indelible mark on federally and privately funded sex education programs through partnerships and initiatives with community organizations, public schools, foundations, corporations, and religious groups. In the process, Lord explains how tensions among these organizations and local, state, and federal officials often exacerbated existing controversies about sexual behavior. She also discusses why the Public Health Service's promotional tactics sometimes inadvertently fueled public fears about the federal government's goals in promoting or not promoting sex education. This thoroughly documented and compelling history of the U.S. Public Health Service's involvement in sex education provides new insights into one of the most contested subjects in America.

Domestic Abstinence-only Programs United States. Congress. House. Committee on Oversight and Government Reform, 2009

Teen Pregnancy and Parenting Lisa Frick, 2007 The writings in this anthology have been selected to introduce readers to the broadest possible spectrum of viewpoints on teen pregnancy and parenting. A question and response format prompts readers to examine complex issues from multiple angles. Debated topics include whether teenage pregnancy is a problem, whether it causes negative consequences for all involved, whether it helps struggling teens to succeed, the role of sexual abuse, and the efficacy of sex education programs.

Civil Mind-Instructors Edition Whitt, Bland, 2006-07

40 More Years James Carville, 2009-05-05 Every four years Americans hold a presidential election. Somebody wins and somebody loses. That's life. But 2008 was an anomaly. The election of President Barack Obama is about something far bigger than four or even eight years in the White House. Since 2004, Americans have been witnessing and participating in the emergence of a Democratic majority that will last not four but forty years. To understand the emergence of a lasting Democratic majority, we'll first have to spend a few moments reviewing the profound and relentless incompetence of the Bush administration and the pursuant collapse of the Republican Party. That means looking back at the failure of Republican ideas, including a wholesale rejection of the myth of conservative superiority on the economy and

holding our noses long enough to survey the gallery of truly repellent scoundrels scandals and screwups that the Republican Party has been responsible for over the last eight years After completing the unpleasant but edifying task of autopsying the Republican Party we ll examine the underpinnings of Democratic victories in 2004 2006 and 2008 and make the argument for why Democrats are going to keep winning Two words young people In short the Republicans are going to keep getting spanked again and again for forty more years because we re right and they re wrong and Americans know it

Fundamentalism, Politics, and the Law M. Rozell, 2011-02-14 This book studies the phenomenon of fundamentalism in the United States It contains historical and contemporary scholarly analysis of the Christian movements that emerged around the time of the Moral Majority Reproductive Politics in the United States Kimala Price, 2021-12-30 Reproductive Politics in the United States is a concise accessible and engaging introduction to what continues to be a contentious and polarizing topic in the United States Focusing on the current debates controversies and realities of reproductive justice this text seeks to examine the historical social and cultural forces that shape those politics Making use of an explicitly feminist framework the book analyzes how the intersections of gender race ethnicity class sexuality and other markers of difference are implicated in protest and policy This is a primer for Women s and Gender Studies students and for those coming to the topic for the first time

The Top Books of the Year Some Abstinence Programs Mislead Teens Report Says The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Some Abstinence Programs Mislead Teens Report Says : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Some Abstinence Programs Mislead Teens Report Says : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
