and savouring whatever life offers His activities are circumstantial and unpredictable Intuitively he remains on the move to reconcile his past while his future stands still He returns to France an old man On a day on a walk past vineyards near his former home Pierre is offered a lift by a couple whose absurd whimsical presence vividly contrasts with whatever solemn tranquillity he d found through his consequential journey and search for redemption Pierre for the first time is inspired to speak of his past     *Punch* ,1852     **Punch, Or, The London Charivari** ,1852
