Metal, Rock, and Jazz Harris M. Berger, 2012-01-01 A lively comparison of musical meaning in Ohio s Jazz metal and hard rock scene This vivid ethnography of the musical lives of heavy metal rock and jazz musicians in Cleveland and Akron Ohio shows how musicians engage with the world of sound to forge meaningful experiences of music Unlike most popular music studies which only provide a scholar s view this book is based on intensive fieldwork and hundreds of hours of in depth interviews Rich descriptions of the musical life of metal bars and jazz clubs get readers close to the people who make and listen to the music Of special interest are Harris M Berger s interviews with Timmy The Ripper Owens now famous as lead singer for the pioneering heavy metal band Judas Priest Owens and other performers share their own experiences of the music thereby challenging traditional notions of harmony and musical structure Using ideas from practice theory and phenomenology Berger shows that musical perception is a kind of practice both creatively achieved by the listener and profoundly informed by social context

**Here Beside the Rising Tide** Jim Newton, 2025-08-05 A kaleidoscopic history of the Grateful Dead that explores the American counterculture through the life of iconoclastic frontman Jerry Garcia and his merry band By writing this book Jim Newton informs the rest of the world what Deadheads have known for years that Jerry Garcia was more than a world class musician he was an American icon Trixie Garcia In 1965 in Palo Alto Jerry Garcia opened a dictionary to a fable in which an appreciative soul repays the generosity of a traveler a gift of the grateful dead After a traumatic car accident that injured him and killed a close friend Garcia had resolved to build his life around music He had practiced relentlessly and caromed across the northern California folk and bluegrass scene He had gathered up some fellow musicians and formed a band Now they had their name Following the history of the Grateful Dead means tracking American cultural history through a period of radical reconsideration The Dead played at the Acid Tests and the Human Be In and Woodstock at the occupation of Columbia and the Bail Ball for People s Park They performed at the base of the Pyramids during a lunar eclipse at Madison Square Garden to defend the rainforests in San Francisco to sound the alarm over AIDS and at Huey Newton s birthday party For three decades the band explored the meaning and limits of freedom The radical message of the Dead to reject the mainstream and build a bohemian community radiated across the world manifesting itself in art music business and politics Here Beside the Rising Tide tells the story of those disparate shafts of light putting Garcia

into a broader context while tracing his eventful life Nearly a century after his birth Garcia s influence stretches onward expressed in guitar licks and a gentle way of life one of excellence and gratitude chasing freedom living moment to moment guided by song the gift of the Grateful Dead *Keyboard* ,2006 **I Miss Jesus** Mark Mullen,2010-02-18 Do you ever feel empty inside or like something is missing Do you find yourself trying to fill voids in your soul with things that just don t satisfy Do the circumstances of life tend to dominate your attitudes and passion for God If you lack Motivation from God and constantly find yourself faltering in your pursuit of Him this book is your antidote If you frequently slip out of involvement of being His Instrument due to brokenness or burn out this may be for you as well Maybe you find yourself being controlled and over powered by Sleep habits due to laziness depression fear or anxiety It could be that you feel lost in this world with no reason for life and are in a relentless Search for completion satisfaction and success Whether all these apply to you are not perhaps you are just in a spiritual valley and can t seem to get over the hump Regardless we as children of God must all ask ourselves If we belong to him why don t we long for Him the minute we begin to slip away The storms of life come to us all but in those times of uncontrollable disaster don t you miss Him Let s face it Life s a wreck without him He s the greatest in all creation right So why don t we miss Him when we begin to fall away I Miss Jesus leads an examination of your relationship with Christ and focuses on receiving His supernatural Motivation realizing our identity as purposeful Instruments of God being in control of our spiritual and physical Sleep habits and Searching for His will By this examination you will discover the keys to fullness in Christ breaking free and living in victory as a Motivated Instrument Sleeplessly Searching for Him and His will **In Scorn of Consequence; Or, My Brother's Keeper** Theodora Corrie,1886
