## **Something Borrowed Something True Ancient Civilization As Biblical Background:**

Something Borrowed, Something True Bob Mayfield, 2014-11-21 Long before the words of the Old Testament were written many of their roots existed in the form of ancient myth the religious beliefs and practices of cultures in Sumeria and Egypt That raises an interesting question does the value of religion lie in its infallibility or in the higher values it instills in its followers In his book Something Borrowed Something True the geographer Robert Mayfield explores the origins of modern Judeo Christian beliefs and the cultural evolution that helped create those religions Readers will learn of his conclusions concerning the origin of many of those spiritual beliefs as well as his views on the rocky relationship that exists today between science and religion With a special emphasis on the contributions of women throughout various times and cultures this progressive look at religion wisdom and morality is a thought provoking and inspiring read Anyone with an interest in history sociology or religion will find something of interest in this nonfiction book concerning ancient precedents and the on going development of abiding faith

**God's Rivals** Gerald R. McDermott, 2009-08-20 Gerald R McDermott explores the question Why are there other religions He looks at teaching from the Old and New Testaments and from a number of key teachers from the early church to suggest an answer to this perplexing but intriguing question *Is The Truth Out There?* Darrick Dean, 2008-07-19 Does truth change How can we determine fact from fiction Travel through history and science religion and the mind as we search to make sense of the world around us *Homosexuality, the Bible, the Truth* Wayne Gray, 2012-10-31 God is not the author of hate nor is He the author of ignorance His love truly lived brings peace His wisdom generates knowledge of truth and His grace leads us to end our bigotries and embrace unity in His name Let wars end let hatreds end let ignorance end May Gods truth set us free This book is about the truth The big business purveyors of bigotry who make money keeping us divided against one another will do everything they can to destroy this book I prayerfully ask you to read it and spread the truth The Bible does NOT condemn homosexuality and the anti homosexual lie invented by man has brought enough pain It must end *History of Monetary Systems: Record of Actual Experiments in Money Made by Various States of the Ancient and Modern World, as Drawn from Their Statutes, Customs, Treaties, Mining Regulations, Jurisprudence, History, Archæology, Coins, Nummularly Systems, and Other Sources of Information* Alexander Del Mar, 1895

**Can Evangelicals Learn from World Religions?** Gerald R. McDermott, 2000-08-15 More than ever before Christians need to explain why they follow Jesus and not the Buddha or Confucius or Krishna or Muhammed This evangelical theology of religions addresses the problem of truth and revelation and takes seriously the normative claims of other traditions McDermott shows readers what Christians can learn from world religions without sacrificing the finality of Christ **Belief, History and the Individual in Modern Chinese Literary Culture** Artur K. Wardega, 2009-03-26 A value system in constant change a longing for stability amid uncertainties about the future a new consciousness about the unlimited challenges and aspirations in modern life these are themes in modern Chinese literature that attract the attention of overseas

readers as well as its domestic audience They also provide Chinese and foreign literary researchers with complex questions about human life and achievements that search beyond national identities for global interaction and exchange This volume presents ten outstanding essays by Chinese and European scholars who have undertaken such exchange for the purpose of examining the individual and society in modern Chinese literature

**Early Christian Literature** Helen Rhee, 2005-04-28  
Helen Rhee's outstanding work is the first book to bring together The Apologies and the semi-fictional Apocryphal Acts and Martyr Acts in a single study Filling a significant gap in the scholarship she looks at Christian self-definition and self-representation in the context of pagan-Christian conflict Using an interdisciplinary approach historical literary theological sociological and anthropological Rhee studies the Christians in the formative period of their religion from mid-first to early third centuries She examines how the forms of Greco-Roman society were adapted by the Christians to present the superiority of Christian monotheism Christian sexual morality and Christian disloyalty to the Empire Tackling broad topics including theology asceticism sexuality and patriotism this book explores issues of cultural identity and examines how these propagandist writings shaped the theological moral and political trajectories of Christian faith and contributed largely to the definition of orthodoxy This thorough study will benefit all students of early Christianity and Greco-Roman literary culture and civilization

**There is no Religion Higher than the Truth** Helena Blavatsky, 2023-12-28  
In *There is no Religion Higher than the Truth* Helena Blavatsky embarks on an ambitious exploration of the intersection between religion spirituality and universal truths Written in a distinctive prose that melds philosophical inquiry with mystical insight this work seeks to transcend the limitations imposed by organized religious systems Blavatsky draws upon a wide array of esoteric traditions ranging from Eastern philosophies to Western occult practices creating a rich tapestry that challenges conventional religious narratives Her deft use of allegory and metaphor underlines a pressing message the essential oneness of all spiritual paths in their pursuit of truth Helena Blavatsky was a pioneering figure in the Theosophical Society co-founding it in 1875 as a means to promote universal brotherhood and the synthesis of science religion and philosophy Her deep engagement with Eastern religions and philosophies coupled with her own mystical experiences shaped her outlook and compelled her to articulate a vision of spiritual unity Both revered and controversial Blavatsky's work has had a profound impact on modern spiritual thought and the New Age movement Recommended for seekers of truth and those intrigued by the dialogue between science and spirituality this book serves as a cornerstone in understanding Blavatsky's teachings and the broader implications for humanity's quest for enlightenment Readers will find themselves invited to reflect upon their own beliefs and engage with the profound principles Blavatsky eloquently presents
