Something Like The Desert Stories For The Folks I Love:

The Desert Stories Abu Bakr, 2021-10-21 The Desert Stories is a collection of short stories that celebrates storytelling. It pays homage to a period when stories and their lessons were ubiquitous for all the phases of life. It takes traditional stories from monotheistic religions and presents it with a twist. In doing so, it blurs the differences between them and attempts to retell the positivity of life. The stories begin with characters posing various questions from the usual walk of life; these questions then lead to the story within. The collection blends parables, Sufi thoughts, and philosophies in the narration, eventually acting as a poetic medicament for harsh reality. Often the endings are not noisy and dramatic but tranquil and serene. The stories compel us to linger on to contemplate the aftermath. Each story is a journey within.

Roger Ebert's Movie Yearbook 2007 Roger Ebert, 2013-02-05 The most trusted film critic in America. USA Today. Roger Ebert actually likes movies. Love and Money Lisa Henderson, 2013-01-01 *Love and Money* argues that we can't understand contemporary queer cultures without looking through the lens of social class. Resisting old divisions between culture and economy, identity and privilege, left and queer recognition and redistribution, *Love and Money* offers supple approaches to capturing class experience and class form in and around queerness. Contrary to familiar dismissals, not every queer television or movie character is like Will Truman on *Will and Grace*: rich, white, healthy, professional, detached from politics, community, and sex. Through ethnographic encounters with readers and cultural producers and such texts as *Boys Don't Cry*, *Brokeback Mountain*, *By Hook or By Crook*, and wedding announcements in the *New York Times*, *Love and Money* sees both queerness and class across a range of idioms and practices in everyday life. How, it asks, do readers of Dorothy Allison's novels use her work to find a queer class voice? How do gender and race broker queer class fantasy? How do independent filmmakers cross back and forth between industry and queer sectors, changing both places as they go, and challenging queer ideas about bad commerce and bad taste? With an eye to the nuances and harms of class difference in queerness and a wish to use culture to forge queer and class affinities, *Love and Money* returns class and its politics to the study of queer life.
