## Something Wild English Edition:

**Something Wild & Wonderful** Anita Kelly, 2023-03-07 From the author of Love Other Disasters comes a sparkling sullen meets sunshine romance featuring two men's sweeping journey across the Western wilderness Alexei Lebedev's journey on the Pacific Crest Trail begins with a single snake And it is angling for the hot stranger who seemed to have appeared out of thin air Lex is prepared for rattlesnakes blisters and months of solitude What he isn't prepared for is Ben Carvalho But somehow on a 2 500 mile trail Alexei keeps running into the outgoing and charismatic hiker with golden brown eyes again and again It might be coincidence Then again maybe there's a reason the trail keeps bringing them together Ben has made his fair share of bad decisions and almost all of them involved beautiful men And yet there's something about the gorgeous and quietly nerdy Alexei that Ben can't just walk away from Surely a bad decision can't be this cute and smart And there are worse things than falling in love during the biggest adventure of your life But when their plans for the future are turned upside down Ben and Alexei begin to wonder if it's possible to hold on to something this wild and wonderful **William Shakespeare. ... English Studies in India Banibrata Mahanta, Rajesh Babu Sharma, 2018-11-03 This volume is a collection of scholarly papers that explore the complex issues concerning English Studies in the present Indian context The discussions in this volume range from historical perspectives to classroom specific pedagogies from sociological and political hierarchies to the dynamics of intellectual development in the English language environment Interrogating both policy and practice pertaining to English Studies in the context of Indian society culture history literature and governance the chapters seek to formulate contemporary perspectives to these debates and envision alternative possibilities Since the introduction of English to India more than 2 centuries ago the language has transmuted the very fabric of Indian society culture history literature and governance The idea of India cannot be conceived in its entirety without taking into consideration the epistemological role that English has played in its formation The present globalized world order has added dimensions to English Studies which are radically different from those of India's colonial and postcolonial past It is therefore imperative that the multitudinous shades and shadows of the discipline be re-examined with inputs drawn from the present context This volume is for scholars and researchers of English literature and language studies linguistics and culture studies and others interested in exploring new paradigms of engagement with the disciplinary formulation of English Studies in India Catalog of Copyright Entries Library of Congress.
