When I drunkenly confess my plans to my friends they convince me to ask Jake Jackson for help. Jake the best friend who's been there for me through thick and thin. Jake who also happens to be smart, funny, ridiculously good looking and the winner of all the genetic lotteries. So when Jake takes me up on my request with the stipulation that we get the job done the old fashioned way I'd be a fool to decline. The only problem I don't know if I can separate sex from all the things I feel for this amazing man. If I can't keep my heart under lock and key I risk losing the relationship I need the most. Jake has his own reasons for granting my baby wish. But when I discover his secrets it could mean the end of us. I have to choose run or stay and fight for love. Sexy, twisty and utterly addictive. Clear your schedule. An amazing read. NYT Bestselling Author Kendall Ryan. *LOST IN ME*. The last thing I remember is having drinks at Brady's and trying to avoid eye contact with my life long crush the gorgeous, unattainable Maximilian Hollowell. They tell me that was a year ago but I have no memories of anything since then. What I do have is this ring on my finger that Max says he gave me and this much thinner body I've dreamed of most of my life. Aside from a case of retrograde amnesia everything seems almost perfect. But the deeper I immerse myself into this new world of mine planning a wedding to a man I don't remember dating attempting to run a business I don't remember starting the clearer it becomes that nothing is as it seems. Do I have the life I've always wanted or is it a facade propped up by secrets I don't even know I have. I need answers before I marry Max and the only person who seems to have them is the angry, tattooed, sexy as sin rocker Nate Crane. And Nate wants me for himself. *FALL TO YOU*. Torn between two men. When I woke up after the accident I couldn't remember anything from the last year including my relationship with Max Hollowell or anything about Nate Crane. Now my memories are returning but instead of answering my questions they're leaving me with more. The man who broke my heart and wants to be my future. Max is all I ever wanted and now he wants to marry me. He'll do everything he can to fill my life with love, family

and security I need those things now more than ever But can I trust him The man who stole my heart and wants to let me go Nate never made me promises and I never asked him to I d been on the rebound looking for a distraction and he made me feel beautiful and wanted when I needed to feel those things most He says he has to let me go but what if I can t let go of him With every revelation and every passing day I feel more like Alice down the rabbit hole I m falling Who will catch me ALL FOR THIS What if you would never remember the day you made the most important decision of your life That s what they re telling me about the day of my accident the day I put on Max s ring and chose him over Nate I m counting on the wisdom behind a decision I don t remember making Max is amazing sexy sweet and kind I was starting to believe happily ever after might be in my future after all Then the unthinkable happened and my world imploded If I m going to make this work with Max I need my missing memories or at least answers from about those five days before my accident But what does my future hold if those answers aren t anything like I imagined

Lourie completed his trip It took him three weeks and marked the first time anyone has traveled from the source of the Hudson to the mouth in a single vessel The Hudson proved to be a very changeable river It includes seven locks and nine power dams The northern half is a true river with strong current but the lower half is tidal a sunken river from the days of glaciers In its first 165 miles it drops more than 4 000 feet to Albany The second half falls no more than a foot Lourie s account of his trip is a fresh look at one of America s great and complex waterways one of the few in fact that still contains its historical and biological species of fish It is also the longest inland estuary in the world Henry Hudson called it the great river of the mountains Nowadays too often the Hudson is stereotyped as a ruined polluted industrial river Its glorious past is compared to its present neglect In River of Mountains Peter Lourie combines the Hudson s rich history and descriptions of some of the region s most impressive landscape with the residents of its mill towns the loggers commercial fishermen and barge pilots all of whom are proof that the river is still a thriving vital waterway So come with Peter Lourie on his trip come explore with him from a canoe one of this country s great rivers join him in his wonderful adventure **Henry Steele Commager** Neil Jumonville,2003-07-11

Historian Henry Steele Commager 1902 1998 was one of the leading American intellectuals of the mid twentieth century Author or editor of more than forty books he taught for decades at New York University Columbia University and Amherst College and was a pioneer in the field of American studies But Commager s work was by no means confined to the halls of the university a popular essayist lecturer and political commentator he earned a reputation as an activist for liberal causes and waged public campaigns against McCarthyism in the 1950s and the Vietnam War in the 1960s As few have been able to do in the past half century Commager united the two worlds of scholarship and public intellectual activity Through Commager s life and legacy Neil Jumonville explores a number of questions central to the intellectual history of postwar America After considering whether Commager and his associates were really the conservative and conformist group that critics have assumed them to be Jumonville offers a

reevaluation of the liberalism of the period Finally he uses Commager s example to ask whether intellectual life is truly compatible with scholarly life
