These Boys and Their Fathers touches on Waters's early life with his single mother and her string of dysfunctional men and his later search for and encounters with his father but it quickly expands into a gripping account of the life of a 1930s pulp writer also named Don Waters with whom Waters becomes obsessed This wildly original book blends memoir investigative reporting and fiction to sort out difficult aspects of family masculinity and what it means to be a father **Recollections and private memoirs of Washington by his adopted son George Washington with a memoir of the author by his daughter; and illustrative and explanatory notes by Benson J. Loosing** George Washington,1860 **The Memoirs of Ceija Stojka, Child Survivor of the Romani Holocaust** Ceija Stojka,2022 First English translation of the memoirs of Austrian Romani Holocaust survivor writer visual artist musician and activist Ceija Stojka 1933-2013 along with poems an interview historical photos and reproductions of her artworks Is this the whole world This question begins the first of three memoirs by Austrian Romani writer visual artist musician and activist Ceija Stojka 1933-2013 told from her perspective as a child interned in three Nazi concentration camps from age nine to twelve Written by a child survivor much later in life the memoirs offer insights into the nexus of narrative and extreme trauma expressing the full spectrum of human emotions fear and sorrow at losing loved ones joy and relief when reconnecting with family and friends desire to preserve some memories while attempting to erase others horror at acts of genocide and hope arising from dreams of survival In addition to annotated translations of the three memoirs the book includes two of Stojka's poems and an interview by Karin Berger editor of the original editions of Stojka's memoirs as well as color reproductions of several of her artworks and historical photographs An introduction contextualizes her works within Romani history and culture and a glossary informs the reader about the concentrationary universe Because the memoirs show how Stojka navigated male dominated postwar Austrian culture generally discriminatory to Roma and the patriarchal aspects of Romani culture itself the book is a contribution not only to Holocaust Studies but also to Austrian Studies Romani Studies and Women's and Gender Studies Tiger in a Cage Alma Wu,Betty Orbach,Carol W.
