

Five Little Starfish

Five little starfish on the shore,
one crawled away so there were four.

Four little starfish by the sea,
one went swimming so there were three.

Three little starfish under the blue,
one dug a hole so there were two.

Two little starfish in the sun,
one met a mermaid so there was one.

One little starfish why do you roam?
Go back now to your starfish home.

Starfish Peg Gregory, 2003 **The Church's Starfish** Chris Gibson, 2022-06-16 After a string of commercial disappointments in 1986 Australian rock band The Church were simultaneously dropped by Warner Brothers in the US and EMI in Australasia The future looked bleak Seemingly from nowhere their next record *Starfish* became an unlikely global hit Its alluring and pensive lead single *Under the Milky Way* stood in stark contrast to the synth pop and hair metal dominating the 1980s A high watermark of intelligent rock *Starfish* musically anticipated alternative revolutions to come Yet in making *Starfish* The Church struggled with their internal contradictions Seeking both commercial and artistic success they were seduced by fame and drugs but cynical towards the music industry Domiciled in Australia but with a European literary worldview they relocated to Los Angeles to record under strained circumstances in the heart of the West Coast hit machine This book traces the story of *Starfish* its background composition production and reception To the task Gibson brings an unusual perspective as both a musician and a geographer Drawing upon four decades of media coverage as well as fresh interviews between the author and band members this book delves into the mysteries of this mercurial classic tracing both its slippery cultural geography and its sumptuous songcraft Situating *Starfish* in time and space Gibson transports the reader to a key album and moment in popular music history when the structure and politics of the record industry was set to forever change 33 1/3 *Greatest Hits* David Barker, 2006-09-12 A collection of reviews of individual albums c2003 2006
