The Video Games Guide Matt Fox,2013-01-17 The Video Games Guide is the world s most comprehensive reference book on computer and video games Presented in an A to Z format this greatly expanded new edition spans fifty years of game design from the very earliest 1962 s Spacewar through the present day releases on the PlayStation 3 Xbox 360 Wii and PC Each game entry includes the year of release the hardware it was released on the name of the developer publisher a one to five star quality rating and a descriptive review which offers fascinating nuggets of trivia historical notes cross referencing with other titles information on each game s sequels and of course the author s views and insights into the

game In addition to the main entries and reviews a full color gallery provides a visual timeline of gaming through the decades and several appendices help to place nearly 3 000 games in context Appendices include a chronology of gaming software and hardware a list of game designers showing their main titles results of annual video game awards notes on sourcing video games and a glossary of gaming terms [A Beginners Guide to Using PlayStation 4 \(PS4\)](#) Katie Morris,2014-11-10

Congratulations on your purchase of what Sony Computer Entertainment touts as the world s most powerful gaming console the PlayStation 4 In its first year alone the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features In 2014 it won gaming mega website IGN s People s Choice Award for best console in competition with the xBox One and Wii U Accordingly the PlayStation 4 dominated gaming console sales throughout 2014 making it one of the best and fastest selling gaming consoles ever designed In addition to its beefier hardware Sony has added a variety of new and innovative features including the Dualshock 4 controller the PlayStation Camera and the PlayStation Move controller Additionally with the new system players can connect their smart phones tablets PS Vita or PS TV to act as second screen interfaces to interact with your PS4 The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences Third party apps such as Netflix and Hulu can now be displayed directly on the main screen for faster access Additionally the system now can be controlled using voice commands from a microphone headset or from the built in microphone on the PlayStation Camera With the release of the PlayStation 4 Sony has begun to emphasize social gaming which goes far beyond mere multi player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button Ever wanted to share a video of yourself beating that final boss with your Facebook friends With the PS 4 this is now possible with just a couple of button presses using the new Share button on the Dualshock 4 controller In addition to faster and easier access to internet services like Netflix and Amazon Instant Video the PlayStation 4 s built in web browser is based on the same engine used by Google Chrome and the new Safari web browser making it the most compatible browser available on any console Whereas in the past and with other consoles web browsing could be a bit of a headache when it comes to things like accessing YouTube videos the PS4 s web browser is as easy and intuitive as the web browser on your computer and it s automatically compatible with the web s most advanced websites This guide will introduce you to how to use the most advanced features of the PS4 Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend the Sony PlayStation 4 Please note this book is neither written or endorsed by Sony and should be considered unofficial **Focus On: 100 Most Popular Television Series by Sony Pictures Television** Wikipedia contributors, *VGC: The 2025 Guide to Video Games* 1981 Media Ltd,2025-05-30 Relive 2024 s gaming highs lows and industry upheavals with this expertly curated year in review There s no such thing as a quiet year in video games and 2024

has been no different For players a steady stream of high profile game releases has meant there s always been something new to play regardless of what console handheld PC or mobile device they were using Meanwhile behind the scenes 2024 has been one of the most turbulent years in the history of the games industry with widespread job losses studio cuts acquisitions and other controversies Video Games Chronicle the expert source for video game news has covered 2024 s goings on every step of the way and this book summarises the entire year in one handy volume Designed like an old school games magazine this book presents the VGC website s best coverage of 2024 in a more traditional format Our News section takes you through all the major stories that took place throughout the year allowing you to relive every moment for better or worse Our Reviews section contains every notable VGC game review from 2024 remastered and presented to you in physical form we re big on preservation you see Our Features section offers some of our best long form articles from the past year Finally our Previews section takes a look at some of the games coming in 2025 The world of online games media is a fast moving one and news and reviews usually arrive at breakneck speed then disappear from our consciousness to be replaced with the latest stories With this book we hope to provide a more permanent summary of the year while also harking back to the days of the games magazines we loved so much
