**Overqualified** Joey Comeau, 2015-10-01 A collection of bitterly hilarious job application letters Applying for a job is stupid It is a demeaning humiliating exercise in learning to grovel in front of faceless strangers Everyone who has ever sent a job application letter has felt the urge the temptation to say what they really think To say something completely insane or to be brutally honest With 2007's Overqualified Joey Comeau acted on those urges and delivered a book collecting his cover letters It's sad and fragmented and in places funny the L A Times said But even after the dozens of insane hilarious and sometimes strangely sad job application letters he still didn't get the job So he's at it again A person needs to work you know But he's had to step things up a bit Were the letters not insane enough Was he not sad or stupid enough Did he not threaten to bite as many CEOs as he should have There's only one way to find out OVERQUALIFIEDER **Overqualified** Joey Comeau, 2009 Cover letters are all the same They're useless You write the same lies over and over again listing the store bought parts of yourself that you respect the least God knows how they tell anyone apart but this is how it's done And then one day a car comes out of nowhere and suddenly everything changes and you don't know if he'll ever wake up You get out of bed in the morning and when you sit down to write another paint by numbers cover letter something entirely different comes out You start threatening instead of begging You tell impolite jokes You talk about your childhood and your sexual fantasies You sign your real name and you put yourself honestly into letter after letter and there is no way you are ever going to get this job Not with a letter like this And you send it anyway **Blue Zebra Agent Chronicles** Gabriel Blue
