Garlock, 2000-10-04 The enemy has used the temptations of this world to lure so many of our young people away from the values and teaching of their Christian upbringing Best selling authors Quin Sherrer and Ruthanne Garlock have both endured the pain of waiting for the return of prodigal children Yet even as they gave each situation into the hands of the Lord they did not wait passively succumbing to fear and despair Instead they battled for their children in prayer waiting expectantly for Almighty God to intervene And He did Now they tell the parents of prodigals how to pray their prodigals home and how the experience can draw parents into the arms of their heavenly Father and strengthen Embracing Prodigals John Sanders, 2020-07-31 Do you wonder why some people you know hold their bonds of love theological and political views that blow your mind but they find quite reasonable Today Christians are at odds over how to understand the Bible atonement and salvation of non Christians They are also polarized over issues such as same gender marriage income inequality and health care Two social science models Nurturant and Authoritative explain this divide Values are at the heart of our disagreements Nurturants prize empathy and cooperation while Authoritatives cherish obedience to law and order Each group has distinct core values and these lead them to embrace different theological moral and political views This book explains the divide and makes the case that Jesus embodied the Nurturant way of life He modeled empathy grace forgiveness and care for those beyond his own tribe The Nurturant and Authoritative approaches have competed for thousands of years but contemporary research shows that the Nurturant way of life produces better mental and spiritual health as well as superior communities in which to live Prodigals And Pilgrims Ann Chandler, 2020-04-09 Poetry is all too

often regarded as irrelevant its meaning seemingly hidden Conversely story form seems more accessible in its communication and has a more defined nature than its opaque poetic cousin A poem however is more compact in its delivery and has the added dimension of being open to wider interpretation It acts like a mirror revealing the secret wounds of the soul its words offering the balm of understanding Poems reveal vulnerability emotion laid bare inner journeys exposed the fragility of life the freedom of imagination Poems are meant not so much to be understood as to be felt and to connect at a deeper level The pattern shape and rhythm of words convey meaning that goes far beyond the mind and into the heart I hope that those contained in these pages reach both your heart and mind
