We Were Warriors Once Revised Edition:

We Were Warriors Once Jeffrey M. Freeman, 2010-07-27 *We Were Warriors Once* is a military political suspense novel. It chronicles the careers of four officers from the 1960s to the 1990s. Military promotions are based on an up or out system; you either progress within specified time frames or you get left behind. Many officers who retire from their military careers at the Pentagon go through the revolving door and return in short order either as defense contract employees or civil servants. Not infrequently they return to the same office where they worked before retiring. The same holds true for many political appointees. Men who once worked in Washington go off for a period to high level assignments with defense contractors and return to influential positions in government. These revolving doors can sometimes have unintended negative consequences. President and former five star general Dwight D. Eisenhower's warning against the power of the military industrial complex is well known. However that complex is actually tri fold: military industrial and political. *We Were Warriors Once* incorporates revised editions of two previously published novels *Duty and Character* and *Wrong Enemy Wrong War* with entirely new material that plumbs deeper into the defense contractors influence on national defense policies. The officers who wear the uniforms of the United States armed forces are by in large extraordinarily dedicated men and women. But in the profession of war sometimes even the best are tempted at times to stray from the straight and narrow. **We Were**

Warriors Once, Revised Edition Jeffrey M. Freeman, 2018-05-26 The story follows the careers of four Army officers over several decades as they rise through the ranks. It stresses the military political interface especially within the Pentagon. Previous novels *Duty and Character* and *Wrong Enemy Wrong War* have been incorporated into it. It differs from the original version in that certain publishing errors have been corrected and lists of military ranks and key character descriptions are enclosed for easier reading. Other novels by Jeff include *Mid Life Friends*, *Illusions*, *Dating and Dying in Pinnacle Point*, *Hannah's Ghost* and *The Shed on The Mountain Road*. *Duty and Character* and *Wrong Enemy Wrong War*. **The New American**
