

WEATHER REPORT

A stylized map of the United States is the central focus. The landmasses are colored in muted greens, yellows, and oranges, while the surrounding water is a light blue. The map is decorated with various weather-related patterns: concentric circles representing raindrops or ripples are scattered across the land and water. In the top right corner, there are palm trees. In the bottom right corner, there is a silhouette of a city skyline. The overall aesthetic is mid-century modern.
