applications of classic theories as a basis for understanding how to develop early childhood curriculum and instruction for children ages 0-8. The author stresses the need for readers to understand the foundations of their programs prior to developing and using quality curriculum and teaching. Known for its solid theoretical focus and child-centered approach, it serves as a specific guide to implement a quality program in early childhood classrooms. **ENC Focus**, 2001

Stirring the Head, Heart, and Soul H. Lynn Erickson, 2008 This book is a potent reminder of what it means when teachers teach whole human beings: their minds, hearts, and souls. Erickson helps us recall what all great teachers know: quality teaching is about building young lives. Carol Ann Tomlinson, Professor, University of Virginia, Author, *The Parallel Curriculum* Erickson sets the standard for concept-based curriculum. Her work offers a theoretically rich and eminently practical approach for constructing curriculum around rich transferable concepts. The third edition extends this seminal work for the benefit of educators and their students. Jay McTighe, Educational Consultant, McTighe and Associates, Author, *Understanding by Design* Help students analyze and synthesize information for a deeper understanding of big ideas. This updated edition of the classic bestseller on curriculum design for quality instruction provides practical structures, planning tools, and specific classroom examples of effective teaching strategies. The author focuses on the need for curriculum and instruction that allows students to move beyond factual learning to a level of understanding where knowledge transfers readily to new situations and thinking becomes integrated. The book's wide-ranging topics include: Aligning local curriculum with state and national content standards; Using brain-based teaching methods; Developing higher-order thinking skills; Assessing and reporting student progress; Creating a lifelong love of learning in students. This invaluable resource encourages teachers to create an educational environment that challenges students' personal intellect, engages their spirits, and fosters a greater understanding of the world around them. **Young Investigators** Judy Harris Helm, Lilian Gonshaw Katz, 2011 This bestselling book has been completely updated and expanded to help teachers use the project approach in child-care centers, in preschools, and in kindergarten, 1st grade, and early childhood special education classrooms. For those new to using projects, the book introduces the approach and provides step-by-step guidance for conducting meaningful projects. Experienced teachers will find the teacher interviews, children's work, photographs, including full color, and teacher journal entries used to document the project process in actual classrooms very useful. This popular, easy-to-use resource has been expanded to include these new features: explicit instructions and examples for incorporating standards into the topic selection and planning process; a variety of nature experiences with examples that show how project work is an excellent way to connect children to the natural world; an update of the use of technology for both documentation and investigations, including use of the Web as well as audio and digital cameras; and more toddler projects that reflect our increased knowledge from recent mind/brain research about toddler understanding and learning. **Developmentally Appropriate Practice** Carol Gestwicki, 2007 Examines the concepts of developmentally appropriate practice as they relate to the education of children from birth to age eight; discusses

appropriate physical social emotional and cognitive language literacy environments for specific age groups and explores the process of making changes for teachers *Anti-bias Education for Young Children and Ourselves* Louise Derman-Sparks, Julie Olsen Edwards, 2010 Become a skilled anti bias teacher with this practical guidance to confronting and eliminating barriers **Essentials of Elementary Social Studies** William B.
