*From Noose to Needle* Timothy Vance Kaufman-Osborn, 2002-11-06 DVD Discusses the dilemmas of the relationship between the liberal state and capital punishment div      Modernity and Politics in the Work of Max Weber Charles Turner, 2002-11 This rich and assured book is a major contribution to the growing Weber industry It reveals Weber's theory of modernity in a new and unexpected light      *Max Weber in America* Lawrence A. Scaff, 2011-01-10 Max Weber widely considered a founder of sociology and the modern social sciences visited the United States in 1904 with his wife Marianne The trip was a turning point in Weber's life and it played a pivotal role in shaping his ideas yet until now virtually our only source of information about the trip was Marianne Weber's faithful but not always reliable 1926 biography of her husband *Max Weber in America* carefully reconstructs this important episode in Weber's career and shows how the subsequent critical reception of Weber's work was as American a story as the trip itself Lawrence Scaff provides new details about Weber's visit to the United States what he did what he saw whom he met and why and how these experiences profoundly influenced Weber's thought on immigration capitalism science and culture Romanticism race diversity Protestantism and modernity Scaff traces Weber's impact on the development of the social sciences in the United States following his death in 1920 examining how Weber's ideas were interpreted translated and disseminated by American scholars such as Talcott Parsons and Frank Knight and how the Weberian canon codified in America was reintroduced into Europe after World War II A landmark work by a leading Weber scholar *Max Weber in America* will fundamentally transform our understanding of this influential thinker and his place in the history of sociology and the social sciences      *The Lithographers Manual* Charles

Ebert,Mas'ud Zavarzadeh,2015-12-03 A gem of a book Its topics are timely and provocative for cultural studies sociology English literary theory and education classes The authors are brilliant thinkers and clear penetrating writers Peter McLaren UCLA author of *Capitalists and Conquerors A Critical Pedagogy Against Empire* *Class in Culture* demonstrates the power of moving beyond cultural politics to a deeper class critique of contemporary life Making a persuasive case for class as the material logic of culture the book is written in a double register of short critiques of life practices from food and education to race stem cell research and abortion as well as sustained critiques of such theoretical discourses as ideology consumption globalization and 9 11 Surpassing the orthodoxies of cultural studies *Class in Culture* makes surprising connections among seemingly unrelated cultural events and practices and offers a groundbreaking and complex understanding of the contemporary world      **Engineering Culture** Geoff Cox,Joasia Krysa,2005 Social change does not simply result from resistance to the existing set of conditions but from adapting and transforming the technical apparatus itself Walter Benjamin in his essay *The Author as Producer* written in 1934 recommends that the cultural producer intervene in the production process in order to transform the apparatus in the manner of an engineer This collection of essays and examples of contemporary cultural practices the second in the DATA browser series asks if this general line of thinking retains relevance for cultural production at this point in time when activities of production consumption and circulation operate through complex global networks served by information technologies In the 1930s under particular conditions and against the backdrop of fascism a certain political optimism made social change seem more possible Can this optimism be maintained when technology operates in the service of capital in ever more insidious ways      **Transforming Warriors** Peter Haldén,Peter Jackson,2016-05-12 This volume offers an interdisciplinary study of how different cultures have sought to transform individuals into warriors War changes people however a less explored question is how different societies want people to change as they are turned into warriors When societies go to war they recognize that a boundary is being crossed The participants are expected to do things that are otherwise prohibited or at least governed by different rules This edited volume analyses how different cultures have conceptualized the transformations of an individual passing from a peacetime to a wartime existence to become an active warrior Despite their differences all societies grapple with the same question how much of the individual s peace self should be and can be retained in the state of war The book explores cases such as the Nordic berserkers the Japanese samurai and European knights as well as modern soldiers in Germany Liberia and Sweden It shows that archaic and modern societies are more similar than we usually think both kinds of societies use myths symbols and rituals to create warriors Thus this volume seeks to redefine theories of modernization and secularization It shows that military organizations need to take myths symbols and rituals seriously in order to create effective units This

book will be of much interest to students of military studies war studies sociology religion and international relations in general

**Radical Equality** Aishwary Kumar, 2015-06-17 B R Ambedkar the architect of India's constitution and M K Gandhi the Indian nationalist two figures whose thought and legacies have most strongly shaped the contours of Indian democracy are typically considered antagonists who held irreconcilable views on empire politics and society As such they are rarely studied together This book reassesses their complex relationship focusing on their shared commitment to equality and justice which for them was inseparable from anticolonial struggles for sovereignty Both men inherited the concept of equality from Western humanism but their ideas mark a radical turn in humanist conceptions of politics This study recovers the philosophical foundations of their thought in Indian and Western traditions religious and secular alike Attending to moments of difficulty in their conceptions of justice and their languages of nonviolence it probes the nature of risk that radical democracy's desire for inclusion opens within modern political thought In excavating Ambedkar and Gandhi's intellectual kinship *Radical Equality* allows them to shed light on each other even as it places them within a global constellation of moral and political visions The story of their struggle against inequality violence and empire thus transcends national boundaries and unfolds within a universal history of citizenship and dissent

**The Experimenters** Eva Díaz, 2014-12-25 In the years immediately following World War II Black Mountain College an unaccredited school in rural Appalachia became a vital hub of cultural innovation Practically every major artistic figure of the mid twentieth century spent some time there Merce Cunningham Ray Johnson Franz Kline Willem de Kooning Robert Motherwell Robert Rauschenberg Dorothea Rockburne Aaron Siskind Cy Twombly the list goes on and on Yet scholars have tended to view these artists' time at the College as little more than prologue a step on their way to greatness With *The Experimenters* Eva Díaz reveals the importance of Black Mountain College and especially of three key teachers Josef Albers John Cage and R Buckminster Fuller to be much greater than that Díaz's focus is on experimentation Albers Cage and Fuller she shows taught new models of art making that favored testing procedures rather than personal expression These methodologies represented incipient directions for postwar art practice elements of which would be sampled and often wholly adopted by Black Mountain students and subsequent practitioners The resulting works which interrelate art and life in a way that imbues these projects with crucial relevance not only reconfigured the relationships among chance order and design they helped redefine what artistic practice was and could be for future generations Offering a bold compelling new angle on some of the most widely studied creative figures of modern times *The Experimenters* does nothing less than rewrite the story of art in the mid twentieth century

**The Entrepreneur** Bill Bolton, John Thompson, 2015-05-15 In this groundbreaking book Bill Bolton and John Thompson present a completely new take on the conventional domains of entrepreneur leader and manager They argue that in today's turbulent and uncertain

world businesses no longer have the time for a business cycle that begins with an entrepreneur hands over to a manager and finally brings in a strategic leader when things are flagging The New Normal that now prevails requires that these things run together and calls for a new kind of all rounder Bolton and Thompson give us a new word to describe such a person The ENTIREPRENEUR The entirely competent person able to discern aright and make things happen Drawing upon the successful person centred approach of their books on entrepreneurs they first tell the stories of over 40 entirepreneurs demonstrating clearly that such people do exist After discussing the New Normal context they present a fascinating analysis that goes below the surface to describe the key Talent Temperament Technique and Discernment attributes that explain the entirepreneur Readers have the opportunity to make a self evaluation of their own attribute strengths concluding with a final entirepreneur score This fascinating and insightful look at the entirepreneur is a clear pointer to what will be demanded of those who wish to succeed amid the vicissitudes of the New Normal
