Copyright © 2008 by Donald L. Potter

These Flashcards are designed to help teachers and parent teach the youth of today the high-level reading skills of the effective "sound" method of Webster's day, rather than the popular but ineffective "meaning" methods of today. Students who learn to read and spell with Webster's 1824 *American Spelling Book* will be totally free from the modern blight of artificially induced whole-word dyslexia.
