are in a position to eliminate the roadblocks that others will place in your way What you will find after your initial meetings with the officiant is that they may or may not be a major source of relief and comfort to you When the wedding officiant is focused on you your needs desires and concerns when they discover that you expect them to remove roadblocks they will either step up to the plate and serve you or back away and if they do back away they are doing you a favor Look you are in love and to them nothing else should matter and you as their client can show them how true that is Here are a few issues and questions that wedding officiants can and should resolve for you Your families are of different religions or you are just spiritual how do you create a wedding ceremony that will please the families and still honor your feelings You are Catholic but because of divorce you cannot get married in the Parish Can you have a Catholic style ceremony and have a wedding that your parents will appreciate and be comfortable with You want a traditional ceremony but the location is nontraditional What can you do to make this wedding perfect even if it s in a hotel conference room Can you have just a short spiritual ceremony but provide all the elements that our guests will expect You have children that one or both of you are bringing into the marriage How do you include them in the ceremony Can you get married now quietly for personal purposes and have the ceremony for your family later How do you do that Who do you contact How can you make your wedding ceremony as Catholic as possible How do you combine different nontraditional actions such as coins veil and cording breaking of the glass jumping the broom salt bread honey dates drinking a cup of wine table ceremonies What is presented here has been a proven formula for success in over 1 900 weddings no need to reinvent the wheel Apply the details of this book and you will be successful in creating the wedding of your dreams The Wedding Ceremony Planner Reverend Judith Johnson
