Catholics, Faith and Marriage Michael Tierney, 2023-03-31 As their wedding day approaches young Catholics feel ready to join their future spouse in an exciting new partnership They consider themselves to be mature individuals ready willing and able to take on board all that their marriage can offer However after many years involved in parish based marriage preparation I believe that some who are about to enter marriage have little idea of what might lie around the corner They have a naive appreciation of the difficulties anxieties shocks and upsets that will inevitably test their relationship as they face the challenges presented by today's complicated world whilst striving to keep alive the love they share Moreover I have concluded that too many have confused and distorted ideas about what the Roman Catholic Church believes teaches requires and expects from them during this crucial stage in their lives Perhaps this situation is predictable given the influence of powerful forces and ideologies which compete for their attention and the disharmony existing within the Church itself where even the hierarchy hold divergent views and contradictory positions about its nature and purpose This book considers the way in which ordinary Catholics faced with so much pressure ambiguity and conjecture often struggle to navigate a course through the chaotic melting pot which characterises modern life and might on some occasions question or even deny the Church's determination to interfere in their personal and private lives

Authorizing Marriage? Mark D. Jordan, 2009-01-10 The opponents of legal recognition for same sex marriage frequently appeal to a Judeo Christian tradition But does it make any sense to speak of that tradition as a single teaching on marriage Are there elements in Jewish and Christian traditions that actually authorize religious and civil recognition of same sex couples And are contemporary heterosexual marriages well supported by those traditions As evidenced by the ten provocative essays assembled and edited by Mark D Jordan the answers are not as simple as many would believe The scholars of Judaism and Christianity gathered here explore the issue through a wide range of biblical historical liturgical and theological evidence From David's love for Jonathan through the singleness of Jesus and Paul to the all male heaven of John's

Apocalypse the collection addresses pertinent passages in the Hebrew Bible and the New Testament with scholarly precision. It reconsiders whether there are biblical precedents for blessing same sex unions in Jewish and Christian liturgies. The book concludes by analyzing typical religious arguments against such unions and provides a comprehensive response to claims that the Judeo Christian tradition prohibits same sex unions from receiving religious recognition. The essays, most of which are in print here for the first time, are by Saul M Olyan, Mary Ann Tolbert, Daniel Boyarin, Laurence Paul Hemming, Steven Greenberg, Kathryn Tanner, Susan Frank Parsons, Eugene F Rogers Jr, and Mark D Jordan. **Conflict of laws, or, Private international law** Raleigh C.
