While the culture has never been more confused about the definition of what marriage is those who are married have never been more hopeless about how marriage should be lived The times have never been more crucial for digging deeper past the definition of marriage to the structure of marriage the blessings of marriage and the opportunity for living out the image of the gospel that is embodied within marriage *Family Ethics* Julie Hanlon Rubio, 2010-03-17 How can ordinary Christians find moral guidance for the mundane dilemmas they confront in their daily lives To answer this question Julie Hanlon Rubio brings together a rich Catholic theology of marriage and a strong commitment to social justice to focus on the place where the ethics of ordinary life are played out the family Sex money eating spirituality and service According to Rubio all are areas for practical application of an ethics of the family In each area intentional practices can function as acts of resistance to a cultural and middle class conformity that promotes materialism over relationships These practices forge deep connections within the family and help families live out their calling to be in solidarity with others and participate in social change from below It is through these everyday moral choices that most Christians can live out their faith and contribute to progress in the world Marriage Is Andrew T. Walker, Eric Teetsel, 2015-06-01

Marriage is not up for debate marriage simply is Today the meaning and purpose of marriage has been lost and it is our fault The prevalence of pornography divorce pre marital sex cohabitation infidelity and a thousand other mistakes have blurred our vision of God's plan for sex family and society to the point of blindness The task before us is not merely to argue against the lie of same sex marriage Though that it is necessary ours is a much larger project It is time to restore among our people a sense of the profound beauty mystery and holiness of faithful marital love It is time to recognize the time for defending the institution of marriage has passed Sadly for far too many the marriages they know are not worth defending Instead Christians must take up the mission to renew and rebuild a culture that values marriage and family To do so we must first understand what marriage is and why it matters
