

MC A Wedding

~ The Wedding MC's Quick Resource Guide ~

Dear Wedding MC...

When you MC a wedding you carry a big responsibility on your shoulders. In fact, the Wedding MC is a key player on the wedding team.

A well prepared Wedding MC can create a memorable wedding occasion that will be remembered for years to come.

A poorly prepared Wedding MC, on the other hand, can ruin an otherwise perfect wedding day for the bride and groom.

Even if you've never been a Wedding MC before and you don't know what to do or what to say, you can be an amazing Wedding MC at the wedding reception with just a few tricks in your Wedding MC "Toolbox."

After all, the bride and groom and their families have invested many hours of time and large sums of money to make the wedding day a memorable occasion.

I created this *Wedding MC's Quick Resource Guide* to help Wedding MCs find information and resources for their Wedding MC Duties, increase their confidence, and carry out their responsibilities with professionalism.

Here are the key things you need to do after you've been chosen to MC a wedding:

(1) Create A Wedding Reception Agenda

The wedding agenda is an itemized list of all the events that will take place from the moment the wedding reception starts to when it finishes.

The wedding agenda can be as detailed or as concise as you wish (although the more detail you have the less chance you have of forgetting important things.)

The French Riviera Adventure Guide Ferne Arfin, 2011-04-15 Starting just east of la Ciotat the great sweep of Mediterranean coast all the way to the Italian border is referred to as the Cote d Azur or the Riviera It is a large area with dozens of beaches and despite the coast s reputation for toney glamor alternating with brash vulgarity it s a great location for watersports boating parascending climbing hiking and gliding The Western Cote d Azur is a deeply indented coast characterized by many small towns miles of sandy beaches and three great mountainous headlands called massifs The Massif des Maures Massif de l Esterel and Massif de Tanneron foreshadow the march of the Alps to the sea farther east along the Riviera They offer stunning long distance views and provide miles of good walking For years French vacationers kept the region their secret staying in their holiday homes or with friends and family As a result the massifs remain largely undiscovered territory for foreign visitors who usually race around and between them on motorways heading for the coast If you stop to enjoy this region you ll find it has its own

personality and surprises Among the attractions here are St Tropez and St Raphael Like a lot of people I got my first glimpse of the Riviera watching classic movies on television Cary Grant and Grace Kelly trading barbs on a balcony overlooking a yacht filled harbor in To Catch a Thief one of any number of James Bonds or Simon Templars stepping out of the Casino at Monte Carlo Pink Panther movies car chases on the Grande Corniche David Niven in Casino Royale They all created an indelible impression of a gorgeous glamorous and expensive jetsetters paradise The term jetsetter is a little dusty these days but substitute Eurotrash and the idea is the same celebrities minor royals and fashionistas mingling with arms dealers deposed dictators media tycoons and shipping magnates while gossip columnists write about their lifestyles of apparently endless leisure This is not an entirely imaginary picture There s no denying that the Riviera is a playground for the rich and famous Behind the walls and towering hedges of Cap Ferrat and other such places most of what all the money in the world will buy can probably be found But don t be put off if you re traveling on a modest budget It is the glamor of the landscape and all the outdoor activities to which it lends itself that was probably what attracted the beautiful people in the first place And that is within reach of everyone Breathtaking drives along Les Corniches de la Riviera and coastal walks that range from gentle strolls to challenging climbs are laced between the distinctive towns and villages Antibes Nice Menton Beaulieu sur Mer Villefranche scattered almost artfully along the coast In the skies paragliders float down like flower petals from a handful of exceptional launch sites Starting around Antibes and heading east the back country rises and the Alps crowd down to the water Along the way the villages perchees become ever more dramatic Eze at 427 m 1 400 feet tops a narrow dome of rock La Turbie at 500 m 1 640 feet is where the Emperor Augustus planted the Trophée des Alpes a 165 foot monument to the power of Rome that still lords over the coast and looks down on Monte Carlo the medieval village of Sainte Agnes just inland of Menton at 800 m 2 600 feet claiming to be the highest coastal village in Europe This is an excerpt equivalent to about 200 print pages from the 420 page Adventure Guide to Provence the Cote d Azur Both books are highly detailed exploring the culture the sights and activities the places to stay and the best restaurants Dozens of photographs are included plus 15 detailed maps
