The markings of a 1944 U S Army Jeep are an iconic image of American military and the Second World War. But few people know what the distinctive white letters, numbers and symbols actually mean. This uniquely detailed guide explains how these and other markings were integral to organizing the U S Army on the move. U S Army Vehicle Markings 1944 covers all the markings used on American military vehicles to denote their unit and classification. It also covers tactical markings and the debarkation codes used in the Normandy landings. Hundreds of contemporary photographs are paired with precise color diagrams to show exactly how markings appeared on vehicles, including the exact measurements.
