Obama Nation II Judgment Day:

Judgement Day Paul Collins, 2010-10 Global warming is now a reality that looms over us and ecological devastation continues apace Now more than ever there is clear recognition that we face a crisis But who is to blame for this crisis In this bold challenging and provocative book Paul Collins argues that Christianity has made a major contribution to the plight of the planet and must come to terms with a disaster that is now also the responsibility of the church Discerning President Obama's National Security Strategy Kristen E. Boon, Douglas C. Lovelace, Aziz Z. Huq, 2010 Volume 111 of Terrorism Commentary on Security Documents Discerning President Obama's National Security Strategy makes available documents from the first fifteen months of the Obama administration that provide insights into its developing national security strategy Included are documents that include detailed intelligence estimates and strategies as well as documents that outline important lessons regarding stability and reconstruction in Iraq Additional documents provide valuable insight into the Obama Administration's Afghanistan and Pakistan Strategy General Editor Douglas Lovelace an expert in U S military matters elucidates the complexities of military spending and of counter insurgency tactics The Black Muslim Manifesto II Lukman, 2012-05-11 The compilation of a decade of essays and online ideological struggle with members of Lukman's e mail chat group formed the basis for The Black Muslim Manifesto From Inside the Belly of the Beast The continuation of that process has called The Black Muslim Manifesto II A Luta Continua into existence Since the publication of the first Manifesto Lukman has continued his analysis of the unfolding global dynamic Additionally time has borne witness to the accuracy of some of the Manifesto's prognostications For example we no longer have to speculate about what Obama will do once he's in the WHITE House Lukman is proud but not happy to say that he was one of the few who was NEVER deceived by the Obama Ploy Lukman felt compelled to rush A Luta Continua to print because much of his analysis in Manifesto II has already proven to be prescient Events are moving forward at such a rapid pace that many of his predictions have become history Lukman didn't want to be accused of that for which he condemns our rearguard leadership namely Monday Morning Quarterbacking

Race and the Obama Phenomenon G. Reginald Daniel, Hettie V. Williams, 2014-07-17 The concept of a more perfect union remains a constant theme in the political rhetoric of Barack Obama From his now historic race speech to his second victory speech delivered on November 7 2012 that striving is evident Tonight more than two hundred years after a former colony won the right to determine its own destiny the task of perfecting our union moves forward stated the forty fourth president of the United States upon securing a second term in office after a hard fought political contest Obama borrows this rhetoric from the founding documents of the United States set forth in the US Constitution and in Abraham Lincoln's Gettysburg Address How naive or realistic is Obama's vision of a more perfect American union that brings together people across racial class and political lines How can this vision of a more inclusive America be realized in a society that remains racist at its core These essays seek answers to these complicated questions by examining the 2008 and 2012 elections as well

as the events of President Obama's first term. Written by preeminent race scholars from multiple disciplines, the volume brings together competing perspectives on race, gender, and the historic significance of Obama's election and reelection. The president heralded in his November 2012 acceptance speech: "The idea that if you're willing to work hard, it doesn't matter who you are or where you come from or what you look like, whether you're black or white, Hispanic or Asian or Native American. These essayists argue the truth of that statement and assess whether America has made any progress toward that vision."

Safe: How I Got Here Sandra Rosetta Morris, 2023-08-25. About the Book: Sandra Rosetta Morris shares the story of her life, her family history, and her take on philosophy. After discovering H I M God, she writes what she has been through and what she has learned from Him. Sandra's book proves that there is only one God and Satan is very much present. She left the nursing profession to follow her dream of becoming a writer. Morris is the mother to four children.

Obama, the Media, and Framing the U.S. Exit from Iraq and Afghanistan Erika G. King, 2016-05-23. Situating Obama's end of war discourse in the historical context of the 2001 terrorist attacks, *Obama, the Media, and Framing the U.S. Exit from Iraq and Afghanistan* begins with a detailed comparison with the Bush war on terror security narrative before examining elements of continuity and change in post-9/11 elite rhetoric. Erika King deftly employs two case studies of presidential and media framing: the weeks surrounding the formal announcements of Obama's December 2009 surge then exit strategy from Afghanistan and the end of combat operations in Iraq in August 2010 to explore the role of mass media in presenting presidential narratives of war and finds evidence of an interpretive disconnect between the media and a president seeking to present a more nuanced approach to keeping America safe. Eloquently scrutinizing Obama's discourse on the U.S. exit from two post-9/11 wars and contrasting the presidential endgame frame with the U.S. mainstream media's narratives of the wars' meaning, accomplishments, and denouement provides a unique combination of qualitative content analysis and topical case studies and makes this volume an ideal resource for scholars and researchers grappling with the complicated and ever-evolving nexus of war, the president, and the media.

The Adventures of a Black Hand Full of Moondust N. Coe Copes, 2020-02-27. TRUST GOD ONLY. WALK IN BLIND FAITH ALONE for more than 5 years in silence. Maybe I was set up to die that way. A freak accident, perhaps. That's how it would have looked. Someone expected that and with expectations that low and miserable, I never worried about someone like that. Risky behavior was my hobby in those days. Unknowingly, I was selected as a target of interest, mistaken for the average bear, hunted down during hibernation plenty of times before. The obvious game is to benefit from life insurance policies, matured well and long enough to play a surprised or sorry role when a target expires. Apparently, keeping up appearances is costly. This ritual targets the LGBT Community, persons identifying with mental illness, and persons with criminal history involving drugs. I would play this game like a baby Grand Piano, but it worked. This account I am opening is not a game, however, and secrets like these make a killing. Literally, GOD has the final word.

National Security in the Obama Administration Stanley A. Renshon, 2009-09-10 The Bush Doctrine is dead At least that's what critics hope But while new U S national security challenges emerge many post 9 11 threats still persist and the policies of George W Bush offer one set of strategic answers for how President Obama can confront those dangers Neither a polemic nor a whitewash this book provides a careful analysis of the Bush Doctrine its development application and rationale and assesses its legacy How will Obama respond to the many foreign policy challenges that await him Through an examination of psychology as much as policy Renshon gives us the first comparative analysis of the Bush Doctrine and the developing Obama Doctrine The book analyzes the range of national security issues Obama will face and the political divisions that permeate U S national security debates It is essential reading for anyone looking to understand how presidents assess security risks generally and how Obama specifically is likely to adapt the Bush Doctrine to his own worldview

Religion, Race, and Barack Obama's New Democratic Pluralism Gastón Espinosa, 2013 Annotation This edited volume demonstrates how Obama charted a new course for Democrats by staking out claims among moderate conservative faith communities and emerged victorious in the presidential contest in part by promoting a new Democratic racial ethnic and religious pluralism *Sincerely Held* Charles McCrary, 2022-04-08 A novel account of the relationship between sincerity religious freedom and the secular in the United States Sincerely held religious belief is now a common phrase in discussions of American religious freedom from opinions handed down by the US Supreme Court to local controversies The sincerity test of religious belief has become a cornerstone of US jurisprudence framing what counts as legitimate grounds for First Amendment claims in the eyes of the law In *Sincerely Held* Charles McCrary provides an original account of how sincerely held religious belief became the primary standard for determining what legally counts as authentic religion McCrary skillfully traces the interlocking histories of American sincerity religion and secularism starting in the mid nineteenth century He analyzes a diverse archive including Herman Melville's novel *The Confidence Man* vice suppressing police Spiritualist women accused of being fortune tellers eclectic conscientious objectors secularization theorists Black revolutionaries and anti LGBTQ litigants Across this history McCrary reveals how sincerity and sincerely held religious belief developed as technologies of secular governance determining what does and doesn't entitle a person to receive protections from the state This fresh analysis of secularism in the United States invites further reflection on the role of sincerity in public life and religious studies scholarship asking why sincerity has come to matter so much in a supposedly post truth era *President Obama* Louis Fisher, 2018-07-12 On the campaign trail Barack Obama spoke often about his constitutional principles In

particular he objected to George W Bush's claim to certain inherent presidential powers that could not be checked by Congress or the judiciary After his inauguration how did President Obama's constitutional principles fare That is the question Louis Fisher explores in this book a disturbing and timely study of the tension between constitutional aspirations and executive actions in the American presidency A constitutional scholar Fisher views Obama's two terms within the context of other presidencies and in light of the principles set forth by the Framers His work reveals how the basic system of checks and balances has been substantially altered by Supreme Court decisions military initiatives and scholarship promoting the power of the president and by presidents progressively more inclined to wield that power In this analysis we see the steps by which Obama himself an expert on the Constitution came to press his agenda more and more aggressively through executive actions on climate change renewable energy the auto industry bail out education initiatives and financial reform Rather than focus on policy Fisher examines the politics and practical concerns that drive executive overreach as well as the impact of such expanded powers on bipartisan support public understanding and finally the functioning of government A fair but critical assessment of Obama's executive performance and legacy this sobering book documents the erosion of constitutional principles that prepared the way for the presidency of Donald Trump

Projecting Politics Elizabeth Haas, Terry Christensen, Peter J. Haas, 2015-04-10 The new edition of this influential work updates and expands the scope of the original including more sustained analyses of individual films from *The Birth of a Nation* to *The Wolf of Wall Street* An interdisciplinary exploration of the relationship between American politics and popular films of all kinds including comedy science fiction melodrama and action adventure *Projecting Politics* offers original approaches to determining the political contours of films and to connecting cinematic language to political messaging A new chapter covering 2000 to 2013 updates the decade by decade look at the Washington Hollywood nexus with special areas of focus including the post 9/11 increase in political films the rise of political war films and films about the 2008 economic recession The new edition also considers recent developments such as the Citizens United Supreme Court decision the controversy sparked by the film *Zero Dark Thirty* newer generation actor activists and the effects of shifting industrial financing structures on political content A new chapter addresses the resurgence of the disaster apocalyptic film genre with particular attention paid to its themes of political nostalgia and the turn to global settings and audiences Updated and expanded chapters on nonfiction film and advocacy documentaries the politics of race and African American film and women and gender in political films round out this expansive timely new work A companion website offers two additional appendices and further materials for those using the book in class

2012 Global Warning John W. Edwards III, 2010-03-11 2012 Global Warning The destination or the beginning of the apocalypse Ninth and Last Sign You will hear of a dwelling place in the heavens above the earth that shall fall with a great crash It will appear as a blue star And very soon after this the ceremonies of people will cease There are nine signs that great destruction has come and is coming Like many tribes the Hopis drew images that have come to pass and

images of things to come Thirteen Baktuns is equal to just over 5 125 years and in our present age of the jaguar the fourth age the Great Cycle runs out on the winter solstice December 21 2012 the Mayan end date The meaning is the death of the sun the rebirth of a universe and the Mayan Prophecy of the return of the god Quetzalcoatl all this is the subject of active debate This time will also mark a United States change in era where we will elect a new President Is this the prophecy of the Antichrist Could it be the end of one time and the beginning of the final stages of centuries of prophecies **America Downfall Of A Great Society** Steven B. Riddley,2012-07-16 One of the greatest mysteries kept from the church world to be revealed at the end of this generation is what Daniel was told not to write in Dan 12 9 and John not to reveal in Rev 10 4 What the atheist refused to believe and what the church fail to see is the truth about the God of creation that all will answer too in this time of the end The other sides of God the mystery revelations are given to his prophets and messengers to warn the people Being born in sin we are blinded by the devil never to see the light until our rebirth as a new creation in Christ The horror of Israel s siege and fall from God s grace is about to be repeated two fold at the end of this time of the gentiles Just as there are those who believe there is no God and confessing Christians that limit the ability of the world to see Him We are now in a world whose hope of restoration has been exhausted to the point of no return The hidden mystery beyond 2012 will be what the entire world will see What is revealed within the pages of this book leaves no doubt whether alive or dead none of us creatures of his creation shall escape the judgments Noted theologians may arguer their point on the level of knowledge learned in their seminaries only to discover the Holy Spirit they confess to have failed to demonstrate these great truths to the fullness shall see the God of creation deliver his chosen people in times of trouble Now the hidden mystery can be told to this generation before its fi nal end for this cause Isaiah 5 14 KJV 14 Therefore hell hath enlarged herself and opened her mouth without measure and their glory and their multitude and their pomp and he that rejoiceth shall descend into it The Author **Presidential Leadership and National Security** Richard S. Conley,2017-10-31 This book assesses the foreign policy legacy of the Obama administration through the lens of national security and leadership Timely accessible chapters authored by leading scholars of presidential and international politics cover White House Cabinet relations Congress and War Powers challenges including the Iran nuclear deal ISIS and the closing of Guantanamo Bay drone strikes the New Cold War with Russia and the ways in which the Obama foreign policy legacy shaped the 2016 presidential election In particular the book explores the philosophical basis of counter terrorism strategy in the Obama administration and traces how precepts differed from the administration of George W Bush More generally the book contributes to an understanding of the distinctive interplay between the formal constitutional powers of the president and the use of informal executive powers in the quest for peace and security Finally the book surveys the challenges that Donald J Trump faces in the transition to the new presidential administration *Airline Terrorism* Marc E. Vargo,2024-04-25 Venturing into the ever shifting panorama of airborne terrorism this book immerses the reader in a vivid retelling of pivotal incidents from recent history while delving

into the terrorists favored methods of attack These include hijackings in flight bombings and precision missile strikes as well as the rising peril of cyberattacks aimed at airports and commercial airliners mid flight Readers will encounter the controversial TWA Flight 800 disaster and the baffling vanishing act of Malaysia Airlines Flight 370 These events ignited enduring discussions about terrorism and governmental transparency The book ventures into the unsettling world of the September 11th attacks where jetliners were transformed into guided missiles Also witnessed are the chilling tales of Black Widows Chechen female suicide bombers leaving their indelible mark on Russian soil Also explored are Libyan culpability in the bombings of Pan Am Flight 103 over Lockerbie Scotland and UTA Flight 772 over the Sahara Desert The evolution of security measures in air travel is chronicled and an examination is given of emerging biometric technologies along with security protocols relevant to the post Covid era

Barack H. Obama Webster Griffin Tarpley, 2008 Written by the author of the legendary 1992 expose of Bush the elder this book works from a New Deal point of view Obama is exposed as a foundation operative and agent of Wall Street finance capital controlled by Zbigniew Brzezinski George Soros and Goldman Sachs Obama s mother was an official of the Ford Foundation the World Bank and US AID By all indications Obama was identified for future political use by Brzezinski at Columbia in 1981 1983 during Obama s secret lost years Obama has worked for the Gamaliel Foundation the Joyce Foundation the Woods Fund and the Annenberg Foundation as a community organizer a poverty pimp a cynical opportunist who uses suffering people as a political commodity The foundation strategy is divide and conquer pitting blacks against whites against Hispanics against Asians to prevent any challenge to Wall Street Racist provocateurs like Wright and Pfleger along with Weatherman terrorist bombers Ayers and Dohrn Obama s best friends are cast in this mold Rezko Auchi and Al Sammarae represent the cesspool of Chicago graft and corruption in which Obama cavorts Schooled in Nietzsche and Fanon Obama qualifies as a postmodern fascist An Obama administration would strive for brutal economic sacrifice and austerity to finance Wall Street bailouts and for imperialist confrontation with Russia and China
