

PENTECOST ACTIVITY PAGES

The Spirit came with rushing wind,
Flames of fire, God did send.

The Holy Spirit is our guide,
Always with us, by our side.
He helps us know what's right and true,
And gives us power to follow through.

What are the fruits of the Spirit
God gives us?

Foundations of Faith Robert O. Wahl,Dr Robert Wahl,2006 This book builds a solid basis for understanding the heart of the Christian faith through 30 weekly sessions about establishing a foundation in Christ Law & Liberty: A Biblical Look at Legalism Don Kistler,John MacArthur,Steven J. Lawson,Joel Beeke,Richard D. Phillips,Phil Johnson,Jim Elliff,Kenneth Talbot,Bruce Bickel,2015-03-16 The authors in this compilation address the issue of legalism from a variety of angles John MacArthur shows first that obedience to God is not an issue of legalism but an issue of love In his second chapter he deals with the inevitable response of people who are confronted with Biblical standards Judge not that ye be not judged Here MacArthur shows what our Lord meant when He said that and shows what biblical discernment really is that there is a vast difference between judgmental and holding people accountable to God s standards Phil Johnson in his first chapter deals with Christian liberty In his second chapter he takes a critical look at two kinds of legalism then explores the relationship of Christian love and Christian liberty Joel Beeke shows that enthusiasm for God s law is not necessarily legalism One can be zealous without being legalistic As David wrote Oh how I love Thy Law Bruce Bickel explains that legalism is due to a weak understanding of what Christ accomplished on the cross Jim Elliff makes clear that legalism is an attack on unity within the

Body of Christ particularly local congregations Ken Talbot helps us to see that legalism is inconsistent with and incompatible with the doctrine of justification by faith alone He points out that the doctrine of free will leads to this dangerous position Rick Phillips explores the relationship to loving God and obeying His law Some today believe that love is all that matters and that the law as a guideline to love is extinct Then this author shows that Biblical sanctification is the antidote to and the opposite of legalism Steven J Lawson shows that legalism is the result of holding to man made traditions over the truth of God s Word Second he points out how dangerous and deadly a thing legalism is and why

Kim,2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life **Arise and Eat!** Rebecca L. Corwin,2024-09-10 Everyone eats In one form or another regardless of circumstance we all need food We spend much of our time procuring preparing and consuming it because it satisfies our hunger provides necessary nutrients or simply because it tastes good It also is fun to share with others Because food plays such a central role in our lives God often uses it to reveal

Himself to us He uses it to remind us that only He can truly satisfy our deep spiritual hunger He also uses it to remind us that He is near and He longs to share sweet fellowship with us Using a range of foods from grains to greens milk to meat and sweets to seasonings God reaches down into our kitchens cultures and customs to show us who He is When we are weary and discouraged He reveals His strength and encouragement When we are full of joy He joins us in celebration Throughout our daily lives He uses food to reveal His hope His love His mercy and the new abundant spiritual life that can be ours through faith in His Son Jesus Christ God invites us to walk with Him in His garden and to join Him at His table He invites us to arise and eat Arise and Eat is a fascinating journey from ancient roasting pits to modern ovens exploring God's biblical revelation of Himself through food Using the Bible as its primary source along with historical insight scientific evidence personal experience and a good dose of humor Arise and Eat is for anyone seeking a deeper understanding of how an extraordinary God reveals Himself in the ordinary stuff of our everyday lives

The Final Call Prince Nyazika, 2011-04-02 The Biblical Sabbath and its true Calendar Jews Seventh day Adventists and many other Sabbatarians observe the Sabbath on Saturday basing this practice on the fact that Saturday is the 7th day of the Gregorian calendar week But is this truly the Sabbath of the Creator mentioned in the Scriptures Can a divine institution sanctioned by the Creator of the Heavens and Earth be observed on a calendar that has its roots in paganism or is there more to the Sabbath question than many honest truth seeking Christians have dared to ask This book will reveal why neither Saturday nor Sunday are NOT the 7th day Sabbath of the Lord This is the message of the hour
