Directory Bowker Editorial Staff, R R Bowker Publishing, Bowker, 1996-05 Superstorm Sandy Diane C. Bates, 2016-01-18 Sandy was the costliest hurricane in U S history after Katrina but the waters had barely receded from the Jersey coast when massive efforts began to Restore the Shore Why do people build in areas open to repeated natural disasters And why do they return to these areas in the wake of major devastation Drawing on a variety of insights from environmental sociology Superstorm Sandy answers these questions as it looks at both the unique character of the Jersey Shore and the more universal ways that humans relate to their environment Diane C Bates offers a wide ranging look at the Jersey Shore both before and after Sandy examining the many factors such as cultural attachment tourism revenues and governmental regulation that combined to create a highly vulnerable coastal region She explains why the Shore is so important to New Jerseyans acting as a key cultural touchstone in a state that lacks a central city or even a sports team to build a shared identity among the state's residents She analyzes post Sandy narratives about the Jersey Shore that trumpeted the dominance of human ingenuity over nature such as the state's Stronger than the Storm advertising campaign or proclaimed a therapeutic community Jersey Strong narratives rooted in emotion and iconography waylaying any thought of the near certainty of future storms The book also examines local business owners politicians real estate developers and residents who have vested interests in the region explaining why the Shore was developed intensively prior to Sandy and why restoration became an imperative in the post storm period Engagingly written and insightful Superstorm Sandy highlights the elements that compounded the disaster on the Shore providing a framework for understanding such catastrophes and preventing them in the future **The Bay of Mermaids** Majia Comella, 2015-03-19 You are invited to join Marin and her exuberant sister Gen on vacation in Cornwall where they attend a seaside wedding During their stay Marin is acutely aware of the mysterious people who staff the old resort where the wedding is held She is particularly drawn to Geoffrey who challenges her to feel her emotions and overcome fear In the process Marin discovers an ancient world that coexists with the modern one in this remote and scenic land Fish Reproductive Biology Tore Jakobsen, Michael J. Fogarty, Bernard A. Megrey, Erlend Moksness, 2016-03-21 Fish recruitment is a key process for maintaining sustainable fish populations In the marine environment fish recruitment is carried out in many different ways all of which have different life history strategies The

objective of this book is to argue for greater linkages between basic and applied research on fisheries recruitment and assessment and management of exploited fish stocks Following an introductory chapter this second edition of Fish Reproductive Biology is organized into 3 main sections Biology Population Dynamics and Recruitment Information Critical to Successful Assessment and Management Incorporation of Reproductive Biology and Recruitment Considerations into Management Advice and Strategies The authors collectively bring a wide range of diverse experience in areas of reproductive biology fisheries oceanography stock assessment and management Fully updated throughout the book will be of great interest to a wide audience It is useful as a textbook in graduate and undergraduate courses in fisheries biology fisheries science and fisheries resource management and will provide vital information for fish biologists fisheries scientists and managers

China's Relations with Africa Joshua Eisenman, David H. Shinn, 2023-08-01 Since Xi Jinping's accession to power in 2012 nearly every aspect of China's relations with Africa has grown dramatically Beijing has increased the share of resources it devotes to African countries expanding military cooperation technological investment and educational and cultural programs as well as extending its political influence This book examines the full scope of contemporary political and security relations between China and Africa David H Shinn and Joshua Eisenman not only explain the specific tactics and methods that Beijing uses to build its strategic relations with African political and military elites but also contextualize and interpret them within China's larger geostrategy They argue that the priorities of Chinese leaders including the conflation of threats to the Communist Party with threats to the country a growing emphasis on relations in the Global South and a focus on countering U S hegemony have combined to elevate Africa's importance among policy makers in Beijing Ranging from diplomacy and propaganda to arms sales and space cooperation from increasingly frequent People's Liberation Army Navy port calls in Africa to the rising number of African students studying in China this book marshals extensive and compelling qualitative and quantitative evidence of the deepening ties between China and Africa Drawing on two decades of systematic data and hundreds of surveys and in person interviews Shinn and Eisenman shed new light on the state of China Africa relations today and consider what the future may hold
