THE ARTFUL LODGERS Lord Reginald Quinton Leary, 2012-12-13 I begin with a disclaimer Should you not be up for exploring a coup de litterature then simply stop right here If you are curious enjoy an outrageous story bizarre characters and tons of giggles press on May I introduce myself I am Lord Reginald Quinton Leary the author and the one to blame I was faced with a unique almost insoluble problem I had a wonderfully strange and funny little caper peopled with outrageous characters that begged to be shared My problem was how to get the story on paper You see I am just short of a hundred and seventy five years old That is correct dear reader I am a full fledged card carrying member of the spirit world Now you understand my problem How does a spectral presence write a book I made feeble attempt after feeble attempt I needed help One of our little gang was Clive Brigham a very successful English author intelligent handsome witty and terminally horny Naturally I turned to him for help Wrong He was much too concerned with the visions of merkins that danced in his head The next most obvious choice for assistance in our gang was a very successful Irish publisher Seamus Cullen Again wrong He was far too busy with his delusions of grandeur and being a professional Irishman I was ready for a padded room Then suddenly a Zen moment Tradition and redundancy be damned I will be my own ghost writer There always has to be a first So I began with a vengeance my reinvigorated effort I will do the bloody thing myself Ghost writer Hmmm I like the sound of that Let s begin with my favorite subject me I was born in England into the titled Leary family Some distant relative supposedly fought in the Norman Conquest and was awarded English land for his faithful service Castle Leary was built and the noble Leary lineage had begun Generations later when I was a mere puppy in residence pater was off fighting with Wellington at Waterloo He was unfortunately standing too close to his battery of cannon when a volley completely scrambled his marbles He returned from the wars with an un diagnosed medical condition almost continual sexual arousal He remained into his dotage an aberrant drooling over sexed war hero with a bulge in his baggy tweeds About this time mores be damned I decided to

wear one of Mother's lovely frocks to a royal ball at Balmoral Castle in Scotland. The Empire almost collapsed. I would have been racked in the Tower were it not for mother and father's influence in the closet of the House of Lords. Mercifully I was exiled to Glen Leary in Ireland to watch over the Leary estate. I still think all the fuss was because I was the prettiest one at the ball. One weekend long after I should have ceased such faldery I climbed on the back of a great bay brute and rode off to the music of the hounds. At the first fence the bay and I parted company. Yours truly made a balloon ascension and then attempted to lunch on the stone fence time for the big dirt nap. When I came around I realized as Seamus is fond of saying I had taken up residence among the Banshees. I lingered and became Glen Leary's famous or infamous depending on your point of view spectral resident. Glen Leary lingered as well and it was a race to see which of us could use the most patching plaster. Finally and gratefully the fourth member of our gang arrived on the scene a rich American business woman Hanna Denning. She suggested to the Georgian Society and the National Trust that a bed and breakfast would help save the grand old place and make it pay. Today we are one of Ireland's most popular tourist accommodations. The next step was the Georgian Society's wisdom in sending us the final member of our merry little band James O'Brien. He is a handsome young Irish Concierge who as it turned out is not only a wonderful chef oenophile and gentleman b

Catalog of Copyright Entries, 1919 Some Day I'll Find You Richard Madeley, 2013-07-04 Richard Madeley's first novel plays beautifully into the heart of commercial fiction a love story with intrigue and betrayal at its core. James Blackwell is sexy and handsome and a fighter pilot every girl's dream partner. At least that is what Diana Arnold thinks when her brother first introduces them. Before long they are in love and marry hastily just as war is declared. Then fate delivers what is the first of its cruel twists. James the day of their wedding is shot down over Northern France and killed. Diana is left not only a widow but pregnant with their child. Ten years later contentedly remarried Diana finds herself in the south of France sitting one morning in a sunny village square. A taxi draws up and she hears the voice of a man speaking English the unmistakable voice of someone who will set out to torment her and blackmail her and from whom there can be only one means of escape. Immaculate storytelling pacy and beautifully written.

Sadie Jones A beautifully told tale Madeley is a lively and engaging storyteller. We can't praise this novel highly enough. Bella
