MESSAGE TO MORTALS Onuoha Emmanuel Izuchukwu ,2023-11-30 Poetry is the soul s state captured and made feasibly relatable with words that stem from the soul s unseen depths However in this epoch poetry and its unmatched prowess are on a gargantuan decline and because of this doleful waning of poetry Message To Mortals was engendered to reinstate poetry to its position globally and to show its colossal importance in the literary world and to mortals in general Message To Mortals is a compilation of 130 message filled and wits satuated poems that convey deep messages about every relatable facet of life from faith to love to romance to family to friendship to success to hope to dejection and the way out and finally to eternity and the life after It is worthy of being called The Bible of poetry

Poems of the Heart Will Amacher,2025-01-10 I personally believe that God desires for all of us to walk with Him in the garden that He designed before us as Adam did in the day where he can come before God and enjoy the presence of the Lord Even in the cool of the day where Adam spent time with the Lord face to face there was a thorn among this beautiful garden We all know that this thorn as the tree where God told them not eat of it As Christians and unbelievers desiring to join God in our gardens we each have to deal with different thorns So as people going through life each at different levels many of us struggle with different thorns These thorns like to tear us down and to bring us to a place where we lose focus on spending time with God in our gardens We all need to come to a place where we can allow God to speak to us and it is my prayer that these words of poetry of inspiration of love faith and of the Word causes you to declare your victory over every thorn that tries to draw blood from you Let these words of love bring you back into the garden where you can enjoy your walk with God your Heavenly Father and experience His amazing love toward you He is waiting for in the cool of the day in your garden

Dreams + Disillusions CJ Lim,Luke Angers,2024-04-25 Dreams Disillusions explores the plethora of ideas and ideologies that have shaped and reshaped cities in profound ways However unlike a conventional title on the history of urbanism and architecture its research fluctuates between the world of concrete reality and the multiple universes that exist in lucid prose poetic visions and the outrageous imaginations of history s greatest and most in famous minds In their thoughts are the foundations for political trends and new civilisations alternative mappings and unlikely phenomena The six

chapters reveal dreams that were fundamental to the origin of great cities underpinning the stories of the many lives within and how through circumstance or manipulation fortunate coincidence or planned perfection desires are sometimes left defeated and disillusioned Myth and belief Tradition and logic Revolution and marginalisation Ignorance and hubris Sins and excess Seasons and climate Continuously interacting shifting to enlighten and to enrage these themes combine critical thinking with deep rooted influences and new agencies that are a true sign of the times The 18 illustrated speculations provide an abundance of curious imaginings diverse provocations and satirical criticism While there are distinctions between dreams and disillusionments could virtues be made of sins or sensitivity be borne from hubris Could progress advocate tradition or should we re attempt revolutions formerly experienced as disillusionments Whether by bold gestures or by subtle attrition cities are continually re written crucibles for the human condition In this book we develop a better understanding of the discourse of cities tailored to the determining factors of climate resources and humanity's idiosyncrasies to address a world in crisis *Route 8.
