Son Of Friday:

Friday's Child Rebecca Jones,2010-06-22 How much love exists between a Father and his daughter More than can ever be imagined the sad part is often we don't realize the depth of that love until their gone *Friday's Child* is a tribute to my father Glenn Goodson Who was born on a Friday and died on a Friday He was a lot of things A christian A son a brother a husband a grandfather a father in law a brother in law a friend a war hero a fireman but most of all he was my Daddy I miss him and love him with all my heart **Searching for Friday's Child** Marjorie Irish Randell,2012-12-12 Searching for Friday's Child is the story of one young man and the closeness he shared with his family a closeness which held them all together throughout the harrowing days of World War II in spite of their separation by many geographical miles Howard Irish graduated less than a year from Michigan State College is called to active duty with the Coast Artillery branch of the Army in May of 1941 In August he is sent to the Philippine Islands in the Pacific to what seems at the time to be a country club assignment Corregidor Island lush and tropical is filled with enviable recreational pursuits friends servants Life takes on a relaxed easy air Howard notes however that the West Point graduates who are his superior officers are much more sharp than any he has served under heretofore Undercurrents of impending war causes him to naively think we sorta wish that if a war is going to start it would hurry up because it wouldn't take long Howard enjoys many aspects of the Philippines but he misses his family and the girl he left behind who had so desperately wanted to marry him before he left Howard writes long detailed letters home to his family and girlfriend His mother saved all of his letters After December 7 1941 when Japan attacked Pearl Harbor and portions of the Philippine Islands she had no information at all as to what had happened to her son She wrote tirelessly to anyone who might know him or know someone who might possibly have come in contact with him More than fifty years later Howard's sister opens the letters telegrams and clippings her mother saved and finds herself compelled to continue her mother's pursuit for information Searching for Friday's Child chronicles Howard's story in unexpected and rewarding ways A story to touch your heart and remember **Report and Plan** Navajo and Hopi Indian Relocation Commission,1981 Anadarko N. Mennonites in Waterloo County Ontario faced rapid urbanization while the Dutch Russian Mennonites in southern Manitoba maintained their more rural environment The diaries mirror their writers preoccupations with work and weather but they also reveal a community s social structure and round of activities such as weddings funerals and worship services In the process of diary keeping the writers sought to make sense of a dynamic and often unpredictable world Reading what they chose to record is to learn much about their culture Their writings provide glimpses of their lives their collective mindset and their history as a people **The Biographical Sketches of Prominent Persons** Ephraim Orcutt Jameson,1886 The
