Faith That Saved My Home Faith Mana, 2011-11-29 I am a married college graduate with three beautiful children I love cooking and reading inspirational books This book has both inspiring stories of my life and the secret to saving your home from foreclosure In 2008 my family faced foreclosure and I made the most dangerous promise one can make to God God miraculously saved my home from foreclosure I have a strange past but this book's inspirational ideas were derived from 1993 the year I was pregnant with my first child I have gone through a lot in my life and every time I encountered a problem I would get progressively closer and closer to my God I promised Him that if He were to help me with the troubles I faced that I would spend my life testifying among His people Unfortunately I never kept to my promise and shared my testimony with only a few family members and friends Up until I had a strange dream that urged me to share with others the miracles I have seen in my life time and time again I promised God that I would share the Good News and my experiences after my problem got resolved but I never did up until the strange dream I had Although I didn't include every event that happened in my life since that time many of the cornerstone events have been included Just
