How Can a Rational God Allow Irrational Numbers? Joseph M. Wolfe, 2025-04-28 Although most people did not enjoy solving word problems in math class that type of logic is used every day of an adult's life Engaging the intellectual community with Christian principles and critical reasoning this book connects the dots between science and the supernatural beliefs and behaviors the Bible and Brave New World It demonstrates how scientific and mathematical principles tie the spiritual world to literature engineering psychology and philosophy Consider the worldview offered by mainstream science

and its ramifications on human society and the ultimately meaningless dead end that humanity represents in the evolutionary chain Is this worldview accurate Does one s internal search for purpose thirst for knowledge and empathy toward others not contradict this worldview The author endeavors to explain the Christian worldview in a way that even the intellectual can understand Woe to intellectuals who claim that faith is merely for the uneducated or the mentally inferior this thinking is both fool and folly There is yet one thing that mainstream science and Christianity have come to agree on The world is going to hell in a handbasket and it s all man s fault

50 Days In Dr. Joseph E. Preble,2023-03-27 Becoming a Christian is wonderful but living the life of a Christian is so much more To dedicate oneself to the service of the Lord is one of the most wholesome experiences anyone can imagine Yet with their newfound faith many lack the knowledge of how to properly live the Christian life This can be true for anybody but even more so for the incarcerated Christian who has to deal with the hatred violence and misery that prison culture so often brings them Many end up impeded in the advancement of their faith Having lived the life himself and overcome its challenges by the grace of God this book is written by an inmate for other inmates and it details how to begin to understand what it means to be a Christian how to follow God s will for your life and how to triumph through the difficulties and setbacks prison plays on those of the faith trying to find God in seemingly godless circumstances Not only

will this fifty day journey be life changing but also it will help you come to terms with the past give you hope for the future and guide you in developing a proper understanding of God's will for your life Ultimately it will lead you to the healthy relationship God so desires for you to have with him This is for those truly looking to know God to worship him and to bring him glory with their lives both in prison and afterward
