101 Weapons of Spiritual Warfare Dr. D. K. Olukoya,2013-12-10 101 Weapons of Spiritual Warfare Never in the history of the world has there been an era of war both physical and spiritual like this era This is a tougher era of warfare More people are under bondage now more than in any other period of human history There are cases of deep bondage uncommon attacks against the family and horrendous occurrences in the lives of individuals The devil has wreaked a lot of havoc upon humanity The bible has described in vivid terms that God is aware of the high spate of demonic hostilities Hence the Holy Spirit has released the prophetic revelations in this book in order to place us in good stead for a unique role in this end times This manual is the first of its kind This is the apex of deliverance We are the threshold of a revival of spiritual warfare The sweeping and the far reaching effect shall be best described as awesome

Weapons of Praise & Worship Abimbola Salu,2013-12-05 Life is a constant battle between good and evil Unfortunately many are ignorant of how to fight the battles of life Human beings operate on two levels the spiritual world and the physical world Unknown to many the spiritual controls the physical In life many of the problems that a man encounters are already introduced in the spiritual realm yet he continues to look for physical solutions to spiritual problems God has made available to every child of God the weapons to fight spiritual battles These include the blood of Jesus fire of the Holy Spirit etc However one of the most powerful weapons available to man is the weapon of praise and worship

This book examines the reason why we fight spiritual battles and how to win spiritual wars It also examines the life of King Jehoshaphat and the children of Israel and how they used the weapons of praise and worship to defeat their enemies **The Book of the Secrets of Enoch** William Richard Morfill,1997-06 *Creating Christianity - A Weapon Of Ancient Rome* Henry Davis,2018-10-06 A profound and controversial investigation of a complex theme the war that led to the fall of Jerusalem and the creation of the Christian religion The religious and political battle between the people of Judea and the Jewish and Roman aristocracies is presented in an unconventional narrative which investigates ancient evidence quotes from the work of respected authorities on the subject and states controversial opinions openly Its main conclusion is that the New Testament the new law was created by a powerful senatorial family called the Calpurnius Pisos who had the full support of their relatives the Herodian royal family the family of Herod the Great and the Flavian emperors with the Piso family hiding their name within the Koine Greek scriptures The result is a book that is both provocative and compelling Using valuable feedback from Cambridge and Oxford University professors Henry Davis explains why the supposed Jewish Historian Flavius Josephus never existed how the Book of Revelation presents the name of the Piso family member who oversaw the creation of the Christian scripture and the reason the number 666 was changed to 616 Davis also explains the facts behind the personal and political reasons that led to the Roman and Jewish royal families creating a new religion and how the Piso family used the literary techniques of the aristocracy to insert their names into the scriptures I found his selection of evidence to be both interesting and compelling *Creating Christianity A Weapon Of Ancient Rome* is a thoughtful work of historical non fiction by author Henry Davis Anyone with a knowledge of the history of the Roman Empire knows that its conversion from a pagan belief system to widespread Christianity was a significant political and military move for the Empire as much as it was a religious decision and this book focuses on the specific details and clues as to how that really came about Davis searches for the real identity of the Christian Messiah and argues for a potentially Roman author of the modern New Testament one who had a view to creating a new religion for his own reasons as much as those of Rome Readers Favorite **The Mighty Angels of Revelation** Nathan E. Jones,2019-11-03 A devastating car wreck nearly killed his parents If not for a lone biker who had stopped at the scene of the accident and administered first aid some say they would have died before medical help arrived The problem only one person could recollect the biker ever having been there Their rescuer had mysteriously disappeared without a trace The only survivor who could remember insisted they must have been rescued not by a mere man but by an actual angel sent from God This jolting event in the life of one family led author Nathan Jones to set off to explore the greatest source in the study of Angelology the book of Revelation With its whopping 72 instances of individual and entire groups of angels and demons Revelation stands apart from all of the other books in the Bible as the most prolific source for learning about angels Come and travel along with a man called the Elder and his angelic guide as the end times are revealed throughout the book of Revelation in stunning detail Along the way meet 72 of God s mighty angels as they proclaim God s

Poirier,2010 The Apostle Paul s reference to the tongues of angels 1 Cor 13 1 has always aroused curiosity but it has rarely been the object of a history of traditions investigation Few readers of Paul s words are aware of the numerous references and allusions to angelic languages in Jewish and Christian texts John C Poirier presents the first full length study of the concept of angelic languages and the most exhaustive attempt to assemble the evidence for that concept in ancient Jewish and early Christian texts He discusses possible references to angelic languages in the New Testament pseudepigraphic writings both Jewish and Christian the Dead Sea scrolls rabbinic texts patristic references magical writings and epigraphy The discussion is divided between those witnesses that understand angels to speak Hebrew and those that understand angels to speak an esoteric heavenly language **Encyclopedia of Street Crime in America** Jeffrey Ian Ross,2013-03-01 Anyone living or working in a city has feared or experienced street crime at one time or another whether it be a mugging purse snatching or a more violent crime In the U S

The Angel of Death J. C. Jones, 2017-03-27 A kind and gentle man living in Chicago on his way home from work on a late Friday night subway train gets robbed and killed He wakes up from death to find himself in heaven where he meets Michael the Archangel of War Michael asked him to go back to earth as an angel in his army of angels sent around the world to wage a war on crime Man s dirty war s that bring human indignity human injustices and death around the world John Griswall is his name and this is his story is true to fact as I know it John becomes an angel of death in Michael s army He wants to do his part in saving the world and his beloved family he left behind from God s wrath of Armageddon if the angels fail to make a difference John goes back to Chicago and fights crime and the injustices of humans and by on other humans He goes around the city of Chicago killing sinful criminals sending their souls to hell The police think there is a vigilante killer lose in the city He does not discriminate in picking his criminal victims picking from a range of petty thieves murders rapists mob bosses politicians and dirty cops The manhunt is on for a serial killer Wherever he goes and whoever he kills he leaves his calling card A death card found on the body only he can leave sending out the word it was him and only him bringing death to all criminals who cross his path Detective Sargent Christy Evans who leads her team of homicide detectives are hot on his trail They continue mopping up the carnage of dead bodies after each of the murders hoping to get one step closer to him and stopping this vigilante killer After some very intense investigations and a dozen murders later Detective Evans and some cops think this is a real angel that s come to earth and is doing all the killing No human has the super human strength to do what this angel does in his methods of killing Detective Evans is willing to follow him into the pits of hell if that s what it takes to catch him and ask him why Why now and who is next is the most important questions Christy is willing to risk her own life to find out the answers Detective Evans faces opposition and conflict from those who do not believe in angels and

demons or heaven and hell Some people believe in such things and some do not which causes her great turmoil in her own ranks and with her peers she has to answer to Some people have to be convinced the hard way by this one sole detective this is a real angel and heaven does exist as they find out he is here to stay and not to mess with him or else Others refuse to believe until it s too late for them to repent and the only option is death What do you do with a real angel from heaven killing criminals and finding body s by the dozens He doesn t fall under man s written laws God has invoked a set of new laws for man to follow and John only answers to God and heaven For hundreds of thousands of years this world was Satan s or Lucifer s playground of pleasure sin and despair The war of good and evil is on and he s not going to give up this planet without a fight He sends his own angels and demons around the world to fight heaven s angels for all the souls of humanity The stakes have never been higher in the history of mankind for the grand prize of human souls and earth Humans around the world not even aware of this war taking place fall easy prey to the pleasures of Satan People soon find out around the world as well angels are very real With an army of Michael s angels around the world humans see the subtle changes for the good of mankind taking place and realize they are here and humans need to change or die Happening before their very eyes they see wars end Dictators die and people are freed from bondage and slavery to live their new lives and make their own choices in life The events they see take place make believers out of people all over the world while others reject their message to carry on with their evil ways fighting the changes of humanity Lucifer sends his angels and demons to Chicago to stop this one lone angel from victory As John does his duty and the body count starts climbing humans are forced to face the hard truths about themselves and this one lone vigilante angel loose in the city They are forced to praise him or hate him Learn to live with him or face what s coming if he fails Join him or die your given a choice to repent or burn in the fiery pits of hell condemning your soul forever Criminals have had a foothold in Chicago since Chicago was born and not willing to give up their city without a fight They are willing to gamble for the city or die by his hands Even Chicago s finest the protectors of the people as in the politicians state and federal both with the Chicago police departments are forced to change their way of doing business or face John s wrath These humans learning what the outcome is and their fate if they don t change all will all be judged the same in the end The choice has finally come for humanity to face What will it be change the world as they know it or face the damnation of Armageddon The choice is yours as I tell John s story about the day an Angel came to Chicago
