

# Weather

Weather is hot,  
Weather is cold,  
Weather is changing  
As the weeks unfold.

Skies are cloudy,  
Skies are fair,  
Skies are changing  
In the air.

It is raining,  
It is snowing,  
It is windy  
With breezes blowing.

Days are foggy,  
Days are clear,  
Weather is changing  
Throughout the year!

**The Poetry Book** Curtis D. Vick,2014-03-25 The Poetry Book is more than a collection of poems it is instructive as to poetic technique and convention as well as types of poetry In it there are no prose paragraphs that have been restructured into stanzas or mysteriously configured and presented as poems with diction and subject little more interesting than closed garage doors in a tract home subdivision There is free verse here and traditional rhythm and rhyme but it is all poetry And it is poetry not because the author wants it to be but because of the poetic techniques and conventions he has employed A stanza does not a poem make nor does bombastic delivery If the traditions rules of writing and conventions of literary history are of no value to poetry then there is no poetry
