## **Weather Report In Brooklyn:**

**Brooklyn's Dodgers** Carl E. Prince, 1997-04-03 During the 1952 World Series a Yankee fan trying to watch the game in a Brooklyn bar was told Why don't you go back where you belong Yankee lover I got a right to cheer my team the intruder responded this is a free country This ain't no free country chum countered the Dodger fan this is Brooklyn Brooklynites loved their Bums Pee Wee Reese Jackie Robinson Duke Snider Roy Campanella and all the murderous parade of regulars who after years of struggle finally won the World Series in 1955 One could not live in Brooklyn and not catch its spirit of devotion to its baseball club In Brooklyn's Dodgers Carl E Prince captures the intensity and depth of the team's relationship to the community and its people in the 1950s Ethnic and racial tensions were part and parcel of a working class borough the Dodgers presence smoothed the rough edges of the ghetto conflict always present in the life of Brooklyn The Dodger inspired baseball program at the fabled Parade Grounds provided a path for boys that occasionally led to the prestigious Dodger Rookie Team and sometimes via minor league contracts to Ebbets Field itself There were the boys who lined Bedford Avenue on game days hoping to retrieve home run balls and the men in the many bars who were not only devoted fans but collectively the keepers of the Dodger past as were Brooklyn women and in numbers Indeed women were tied to the Dodgers no less than their husbands fathers brothers and sons they were only less visible A few like Pulitzer Prize winning poet Marianne Moore and working class stiff Hilda Chester were regulars at Ebbets Field and far from invisible Prince also explores the underside of the Dodgers the baseball Annies and the paternity suits that went with the territory The Dodgers male culture was played out as well in the team's politics in the owners manipulation of Dodger male egos opponents race baiting and the macho bravado of the team how Jackie Robinson for instance would prod Giants catcher Sal Yvars to impotent rage by signaling him when he was going to steal second base then taunting him from second after the steal The day in 1957 when Walter O Malley the owner of the Brooklyn Dodgers announced that the team would be leaving for Los Angeles was one of the worst moments in baseball history and a sad day in Brooklyn's history as well The Dodger team was to a degree unmatched in other major league cities deeply enmeshed in the life and psyche of Brooklyn and its people In this superb volume Carl Prince illuminates this Brooklyn in the golden years after the Second World War

**The Institutional Development of Podcasting** Aske Kammer, Thomas Spejlborg Sejersen, 2024-11-26 Referring back to the early 2000s this book traces the development of podcasting from a do it yourself medium by amateurs into its current environment where a wide variety of individuals organizations and platforms operate in an increasingly crowded and competitive market Through original case studies of shows and platforms including The Daily and Spotify the authors explore the processes and effects of commercialization platformization and datafication in the industry Drawing on institutional theory and the growing body of scholarly literature about podcasting they examine the shifts and reorientations in institutional logics that characterize

podcasting and present the different types of actors that operate in the commercial and noncommercial podcast markets The Institutional Development of Podcasting will be of interest to advanced students and researchers of audio media journalism and media industries
