Keeping Faith Beverley Oakley, 2021-07-28

Revenge is sweet until it breaks your heart. Falsely accused of stealing Faith is given two choices: fend for herself on the streets of London or become indentured to Madame Chambon, the ruthless proprietor of London's most exclusive brothel. In order to survive, Faith submits to the machinations of a mysterious benefactress and begins a new life under Madame Chambon's roof. However, she does not live like the other girls. Rather, she's taught the theory of how to entrance London's noble gentlemen with her learning in philosophy, politics, and art. Her body is to be saved for the greatest enticement of all: revenge. Faith doesn't care what she has to do. She lives only to fulfil a bargain that will set her free. But when Faith is recruited as the muse of a talented, sensitive painter, whose victory in a prestigious art competition turns them both into celebrities overnight, she discovers the reasons behind her mission are very different from what she'd been led to believe. Now she is complicit in something dark and dangerous while riches, adulation, and freedom are hers for the taking. But what value are these if her heart has become a slave to the honorable man she is required to destroy?
