the Rose Many Voices Other Works      *Words of Faith* Byrne, Brendan J., SJ, 2023 This work offers over 100 concise discussions of key Pauline words and concepts Its primary focus lies on the seven undisputed letters though material in the remaining letters traditionally attributed to Paul especially Ephesians and Colossians while treated separately is not neglected While accuracy has required reference to the relevant Greek words in each case the use of transliteration renders the work accessible to nonspecialists and students as well to established scholars Each entry is completed with an up to date indication of further reading in the area concerned Compiled from a distinctly theological perspective and the product of over five decades of research and teaching in Pauline studies the vocabulary is an indispensable resource for scholar and student alike      **British and Foreign Medico-chirurgical Review** , 1868      From the Heart Jeffrey L. Kosky, 2025-02-25 What does it mean to have a heart How does it feel when a heart fails and what does it take to recover In a world beset by never ending crises personal and collective local and global is heartlessness the only option From the Heart weaves together a personal narrative of a life threatening ailment with considerations of philosophy art and science to contemplate ultimate questions matters of life and death Jeffrey L Kosky recounts his brush with death the surgical repair of a congenital defect in his aortic valve his gradual recovery of everyday life and his struggle to find the heart to go on throughout it all To make sense of the experience he immerses himself in humanistic inquiry and medical science the histories of medicine cardiac surgery and knowledge of the human heart as well as the works of artists writers philosophers and theologians Writing about the experience of being human from the precarious position of his own woundedness Kosky shares hard earned perspectives on what matters most Combining moving memoir encounters with major authors and artists and heartfelt reflections on the big questions of existence this elegantly written book is at once erudite and powerful It shows us why the heart in physical emotional and metaphorical senses helps us come to terms with sickness and health dying and living      **A Dictionary of Hymnology** John Julian, 1892      *The Translation of Religious Texts in the Middle Ages* Domenico Pezzini, 2008 The transition from Latin to vernacular languages in the late Middle Ages and the dramatic rise of a new readership produced a huge bulk of translations particularly of religious literature in its various genres The solutions are so multifarious that they defy any attempt to outline general theories This is particularly visible when the same text is translated or rewritten at different times and in different languages or genres Through a minute analysis of texts this book aims at highlighting lexical syntactic and stylistic choices dictated not only by the source but also by new readers and patrons or by new destinations of the works Established categories such as literalness and fidelity are thus questioned and integrated with these other factors which while being more external do nonetheless impinge on the very idea of translation and consequently on its assessment Far from being a mere transfer from one language to another a medieval translation verges on a form of creative writing and as such its study becomes a fascinating investigation into the very process of textual production      **Home Is Where the Heart Is** Linda Byler, 2018-05-01 Join Amish writer Linda Byler on a trip into a world few are allowed to visit the world of

Amish romance Hannah feisty and independent as ever has put everything into building up her family's homestead in North Dakota. Despite tragedy and almost unimaginable hardship due to the Great Depression, unpredictable weather, and unforgiving landscape, she and her new husband Jerry are leading their Amish friends and family in their homesteading venture. When the winter storms and the untimely death of a child become too much for the rest of the community to bear, they move back east. But Hannah and Jerry stay on, doggedly pursuing Hannah's dreams of a successful ranch. But even Jerry's spirits begin to fail, and when a plague of grasshoppers destroys every last morsel of vegetation after yet another drought, Hannah finally relents, and they too return to the fertile soil of Pennsylvania where life will be safe and predictable. Or so they think, but when tragedy strikes again, Hannah is suddenly a widow in a place that no longer feels like home, and with family who cannot grasp the depth of the losses she has experienced, Hannah grapples with her faith, struggling to understand who she is and where she belongs. Always before, a flash of anger or defiance had fueled her strong will in the face of adversity, and allowed her to push on toward her goals. But what did she have left to fight for now? Slowly, painfully, her heart begins to change. As she begins to reclaim her faith and her strong sense of self, she also starts to notice a handsome, burly man who is unlike anyone she's known before. Is it possible she could find love again in Lancaster? What will it take for her to feel like she's home, like she finally belongs somewhere?
