*Covenant Bible Study: Participant Guides (Creating, Living, Trusting)* Covenant Bible Study, 2017-01-12 Covenant Bible Study guides small groups through a comprehensive in depth study of the whole Bible over twenty four sessions broken into three eight session modules Unlike the learning participants may have experienced in other groups this study emphasizes the biblical concept of covenant as a unifying theme through both the Old and New Testaments It underscores the unique relationship that God chooses to have with us as God's people This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in relationship with God while we share signs of God's love with others Each Covenant Bible Study participant needs a Participant Guide and a Bible The CEB Study Bible is preferred but not required The Participant Guide walks study participants through the daily scripture readings and offers space to interact personally with the readings the group experience and the weekly meditations This single volume Participant Guide contains the materials required for all three modules Creating Living and Trusting Creating God establishes the covenant to be in relationship with us This first module Creating the Covenant examines how the covenant community is created and established by focusing on several books of the Bible It discusses the story of our origins in Genesis the Exodus narrative the teachings of Moses the Gospels of Matthew and Mark as well as other books from each Testament that focus on the foundation of Christian faith In doing so it lays out the framework for a life lived in concert with God and others Living Living within the covenant translates into action into how we behave in our everyday lives That's why the second module Living the Covenant focuses on how the community lives out the covenant in faithful love how it is applied to actual relationships in daily life The scripture readings included in these episodes examine the practical challenges of faithful covenant life Participants explore leadership challenges among tribal chieftains kings and prophets and spiritual and political crises They look for practical wisdom and guidance in the teachings of Israel's sages the letters of Paul and more By demonstrating how people of vastly different cultures came together in a common purpose the study shows how faithful love is the root of the covenant life Trusting Life often presents significant challenges Difficulties are inevitable That's why the final module Trusting the Covenant looks at the crises that sometimes call covenant life into question and how we are restored to trust in God when troubling things happen It how hope is restored by faithfulness in the midst of suffering From the story of Job to the Hebrew exile to the apocalyptic visions in Daniel and Revelation we learn how God's faithful love is at work in everything to restore hope freedom and wholeness to our lives

**Covenant Bible Study: Living Participant Guide Large Print** Covenant Bible Study, 2014-08-19 This Covenant experience will guide participants in a comprehensive in depth study of the Bible over twenty four weeks Unlike the learning participants may have experienced in other groups this in depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments It underscores the unique relationship that God chooses to have with us as God's people This relationship is

grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others. Each episode connects to an aspect of this covenant relationship which is summarized in the heading of each participant guide. COVENANT TRANSLATES INTO ACTIONS into how we behave in our everyday lives. That's why the second module Living the Covenant focuses on how the community lives out their covenant in faithful love, how it's applied to actual relationships in daily life. The books included in these eight episodes examine the practical challenges of faithful covenant life. We explore leadership problems among tribal chieftains, kings and prophets, and spiritual and political crises. They look for practical wisdom and guidance in the teachings of Israel's sages, the letters of Paul, and more. And by demonstrating how people of vastly different cultures came together in a common purpose, they show how faithful love is the root of the covenant life. Each participant in the group needs the Participant Guides and a Bible. The CEB Study Bible is preferred. The Living Participant Guide is 8 weeks long and has a lay flat binding making it easy to take notes in the generous space provided on each page. The Living Participant Guide contains the following episodes:

Episode 9: Ruth, Esther, Song of Songs. Ruth, Esther, and Song of Songs are a part of the Festival Scroll and linked to sacred celebrations in Israel's life. In the story of Ruth, both Ruth and Boaz risk caring beyond conventional expectations, displaying faithful, expansive love with consequences for Israel's royal future. Esther risks everything to identify with her people and rescue them from a genocidal plot. Song of Songs displays the power and passion of a crazy love that also helps us understand God's love.

Episode 10: Luke and Acts. Luke and Acts offer a vision of who God is and what salvation means. For the writer of Luke, Jesus is a prophet who reveals God's heart and intention to remake human beings and the broader world through a new community gathered in Jesus' name: the church. Living out Jesus' prophetic role in the power of the Holy Spirit, the church continues God's call to changed hearts and lives. Through Jesus and the church, God's Spirit calls people to belong, serve, and love by welcoming those considered outsiders by the world.

Episode 11: 2 Samuel 1 and 2 Kings. In these books, the prophets serve as truth tellers to Israel's kings. They stress that relationship rather than power is central to choosing what's best for the people God loves. Kings are at their best when they are moved by compassion that trumps every preoccupation with power. Idolatry splits our attention and distorts our priorities, distracting us from the main thing: God alone is worthy of absolute loyalty and trust.

Episode 12: 1 and 2 Thessalonians 1 and 2; Timothy 1 and 2; Titus 1 and 2. Thessalonians are written to a community Paul loves: a community suffering and anxious about Jesus' return. 1 and 2 Timothy and Titus: pastoral letters written to Paul's younger partners in ministry. While 1 Timothy is intimate, 2 Timothy reads like a last will and testament for Paul.

Episode 13: Wisdom. Proverbs and Ecclesiastes. Wisdom literature begins and ends with what is good for human beings in life. Starting with everyday insights gathered across time by courts, scribes, these sayings are short and easy to remember. The wise person is one who understands these teachings and can apply them appropriately in real-life situations. Life is fragile and short, so wise people will enjoy family, friends, and the simple things in life.

Episode 14: Philemon, Philippians, Colossians, Ephesians. From a

place where hope goes to die an imprisoned Paul says that God is able to restore hope and encourages reconciliation between Philemon home church leader and his runaway slave Onesimus To the Philippians Paul passes on an early hymn that speaks of Jesus as the self emptying suffering servant exalted by God Paul is a pastoral thinker and his words about slaves and masters must be understood in the context of Jesus expected return Episode 15 James Jude 1 and 2 Peter These letters are written to churches suffering harassment and struggling to keep the faith when Jesus promised return hasn t occurred They are written in the voice of those closest to Jesus and speak to new circumstances and situations Concerned about real life issues like gossip and favoritism toward the rich James is a practical book stressing who God is and what you should do about it Peter writes to guide the church in a negotiated faithfulness that requires discernment Episode 16 Prophets Isaiah 1 39 and the Book of the Twelve The prophets express the feelings of God God s deep love for Israel and all of humanity but also God s deep pain disappointment and anger when the people fail to be a loving community of neighbors They also communicate God s yearning to call the people back to taking care of each other especially those they are most likely to exclude widows orphans strangers immigrants For prophets like Hosea God has a parent s heart and refuses to give up on a faithless people More Questions Visit <http://covenantbiblestudy.com> for more information Covenant Bible Study: Trusting Participant Guide Large Print Covenant Bible Study,2014-08-19 This Covenant experience will guide participants in a comprehensive in depth study of the Bible over twenty four weeks Unlike the learning participants may have experienced in other groups this in depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments It underscores the unique relationship that God chooses to have with us as God s people This relationship is grounded in the faithfulness of God s love and on our ongoing commitment to stay in love with God while we share signs of that love with others Each episode connects to an aspect of this covenant relationship which is summarized in the heading of each participant guide LIFE AS WE ALL KNOW TOO WELL IS IMPERFECT Difficulties are inevitable That s why the final eight weeks Trusting the Covenant looks at the crises that sometimes call covenant life into question and how we are restored to trust in God when troubling things happen This module discusses the loss of hope and how it is restored by faithfulness in the midst of suffering From the story of Job to the Hebrew exile to the apocalyptic visions in Daniel and Revelation we learn how faithful love is at work in everything to restore hope freedom and wholeness to our lives Each participant in the group needs the Participant Guides and a Bible The CEB Study Bible is preferred The Trusting Participant Guide is 8 weeks long and has a lay flat binding making it easy to take notes in the generous space provided on each page The Trusting Participant Guide contains the following episodes Episode 17 John 1 2 and 3 John For John the God we meet in Jesus is the one who keeps coming into the world going out of the way to be in relationship with us Jesus meets his followers in whatever ways they need with new and abundant life Jesus draws people back into community and promises the Holy Spirit to those who follow him Episode 18 Psalms Psalms are songs poems and prayers to and about God There is

diversity of authorship across the Psalms Three major types of psalms are laments thanksgiving psalms and psalms of praise The psalms are user friendly and give voice to our conflicts confessions and cries for God s rescuing help The Psalms teach us how to pray and that God s primary character trait is faithful love Episode 19 Job Like the Bible as a whole the book of Job offers a number of voices or perspectives Job stages difficult human questions such as Why do human beings worship God or Why do people suffer and even what is God s role in suffering The book of Job also asks Does good behavior bring blessing and Does bad behavior bring curse and suffering Episode 20 Jeremiah Lamentations Ezekiel Jeremiah Lamentations and Ezekiel offer three different perspectives on the same catastrophic event the Babylonian destruction of Jerusalem in 587 CE and the exile of God s people to a foreign land These books affirm the power of lingering with sorrow so we can hear the voices of those who are suffering Any hope found in these books remains in the promise that God will bring life to dry bones or write a new covenant on hearts in a blessed but distant future Episode 21 Isaiah 40 66 The story of how Israel gained and lost the land becomes a treasure that they carry with them into exile The poetry in these passages is written to inspire and invite God s homesick people in Babylon to become pioneers and return home to Israel The God of Israel is no regional deity but is the one and only God of all everywhere and all the time Through fire and water chaos and captivity the people called by God and redeemed by God also belong to God Episode 22 1 and 2 Chronicles Ezra Nehemiah The people returning home from exile in successive waves must rebuild their whole way of life Ezra and Nehemiah look at the practical need for city walls and a center for worship The Chronicler stresses the importance of re remembering our story in the right way in order to understand who we are in this new life The practices that sustained the people in exile will define a people who weren t old enough to remember life before exile Episode 23 Apocalyptic Daniel Apocalyptic literature is not primarily about future events It looks at traumatic events in the present and finds a divine plan at work By using vivid symbols and imagery the court tales and visions of Daniel stress that God is ultimately controls human events The identity of faithful people is defined by living faithfully according to the covenant teachings in a context where those values are under threat Faith has its price but our hope in God empowers us to never give up Episode 24 Revelation Revelation is a book written for poor people struggling under great duress It uses vivid terrifying images to express God s unswerving faithfulness and the faithfulness of those who stand firm in the face of dehumanizing forces in the world The symbol of hope in Revelation is the new creation and loyal love between God and the faithful This symbol provides comfort courage and assurance that the one who made a covenant with all things at the very beginning will be with us at the end of all things More Questions Visit <http://covenantbiblestudy.com> for more information
