**Transmitting the Spirit in Missions** Amos Jimmy Markin, 2019-02-05 Transmitting the Spirit in Missions The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth mission and changing face of global Christianity It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century Specifically this book engages the history and growth of the Church of Pentecost an African Pentecostal denomination from Ghana to demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home country as well as other parts of the globe The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor The specific highlight is that this book is an updated analysis of the history growth and missions of the Church of Pentecost Although this work is transformed from a PhD thesis the content is presented accessibly to both the academia and general church populace both pastors and the laity

**Pentecostals Doing Church** Mathew Clark, 2019-04-30 Pentecostal type Christians today make up close to 25% of the worldwide number of Christians of all creeds On any given Sunday morning they represent an even higher proportion of all Christian worshippers They are people who intensively do church in its every aspect This work investigates how they do it from everyday fellowship through leadership to styles of worship It balances established Western research into Pentecostalism with information and perspectives from the global stage engaging a wide spectrum of theological and social

disciplines Analysing how Pentecostals have understood themselves it explores the biblical historical practical and missiological material they have utilised to establish both their implicit and explicit notions of church Aimed at both scholars and lay people the style presentation and scope of the material are especially relevant to thinking Christians of all vocations and will also be useful for social scientists and historians intrigued by this recent Christian phenomenon     Global Pentecostal and Charismatic Healing Candy Gunther Brown,2011-02-24 Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world s two billion Christians and is growing rapidly This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing Contrary to popular stereotypes of flamboyant fraudulent anti medical faith healing televangelists who preach a materialistic health and wealth gospel handle serpents or sensationally exorcize demons this book offers a more nuanced portrait The collected essays illumine local variations hybridities and tensions in practices on six continents and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources This is the first book of its kind Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation This volume s distinguished international team of contributors includes sociologists anthropologists historians political scientists theologians and religious studies scholars from North America Europe and Africa Read together these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today globalization pentecostalism and healing each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways     *The Pentecostal World* Michael Wilkinson,Jörg Haustein,2023-04-01 The Pentecostal World provides a comprehensive and critical introduction to one of the most vibrant and diverse expressions of contemporary Christianity Unlike many books on Pentecostalism this collection of essays from all continents does not attempt to synthesize and simplify the movement s inherent diversity and fragmented dispersion Instead the global flows of Pentecostalism are firmly grounded in local histories and expressions as well as the various modes of their worldwide reproduction The book thus argues for a new understanding of Pentecostal and Charismatic movements that accounts for the simultaneous processes of pluralization and homogenization in contemporary World Christianity Written by a distinguished team of international contributors across various disciplines the volume is comprised of six parts with each offering a critical perspective on classical themes in the study of Pentecostalism Led by a programmatic introduction the thirty six chapters within these parts explore a variety of themes history and historiography conversion spirit beliefs and exorcism prosperity politics gender relations sexual identities racism development migration pilgrimage interreligious relations media ecumenism and academic research The Pentecostal World is essential reading for students and researchers in anthropology history political science religious studies sociology and theology The book will also be very useful for those in related fields such as culture studies black studies ethnic studies

and gender studies      **Training Guide for the End Times** David L. Johnson, Richard A. Hansen, 2022-05-22 The world seems upside down Men marry men and women marry women Boys become girls and girls become boys Systemic racism becomes gospel yet society is not racist The world has become more totalitarian with lockdowns censorship and control by Big Tech Big Government Big Education and Big Corporations It s like our society is floating on the Niagara River and we can hear this roar in the distance Well stop floating Get prepared with this training guide Bible prophecy tells us what we can expect In this guide David L Johnson and Richard A Hansen reveal how our Christian worldview is disappearing the Bible provides inside information for us sexual sin has led God to punish our country current signs point to an imminent end a creeping totalitarianism opposes us we can prepare for the coming persecution we must fix our eyes on the Rapture and live victoriously Prepare for the coming storm and live joyfully despite the turbulence Your finest hour approaches while a desperate world is watching      **The Youth Ministry Resource Book** Eugene C. Roehlkepartain, 1988 Cover subtitle Your instant reference guide for youth ministry facts resources and research      **A Guide to the Study of the Pentecostal Movement** Charles Edwin Jones, 1983 This bibliographic and organizational guide to traditional Pentecostalism includes historical information on churches associations and evangelistic and missionary agencies schools and individual proponents and critics of the movement worldwide and related bibliography Churches and other agencies are classified by doctrinal tradition More than 6 000 items are included      **The Ministry of Helps** Rev. Lawrence C. Spencer, 2017-02-09 Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldnt put your finger on it Well these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in Gods Kingdom work To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest Bring these practical things home and put them to work Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service You will not be sorry you invested in this training for you and your ministry team Rev Lloyd Tremain Paradise Community Church of the Nazarene A thorough practical and much needed Biblically sound treatment Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today John Steffensen Radio Host Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn

that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them

*Enchanted Calvinism* Adam Mohr, 2013 Enchanted Calvinism s surprising central proposition is that Ghanaian Presbyterian communities have become more enchanted i e attuned to spiritual explanations of and remedies for suffering as they have become more integrated into capitalist modes of production Enchanted Calvinism s central proposition is that Ghanaian Presbyterian communities both past and present have become more enchanted more attuned to spiritual explanations of and remedies for suffering as they have become integrated into capitalist modes of production The author draws on a Weberian concept of religious enchantment to analyze the phenomena of spiritual affliction and spiritual healing within the Presbyterian Church of Ghana particularly under the conditions of labor migration first in the early twentieth century during the cocoa boom in Ghana and second at the turn of the twenty first century in their migration from Ghana to North America Relying on extensive archival research oral interviews and participant observation conducted in North America Europe and West Africa this study demonstrates that the more these Ghanaian Calvinists became dependent on capitalist modes of production the more enchanted their lives and subsequently their church became although in different ways within these two migrations One striking pattern that has emerged among Ghanaian Presbyterian labor migrants in North America for example is a radical shift in gendered healing practices where women have become prominent healers while a significant number of men have become spirit possessed Adam Mohr is Senior Writing Fellow in Anthropology in the Critical Writing Program at the University of Pennsylvania

*Prophecy and Politics in South African Pentecostalism* Mookgo Solomon Kgatle, 2023-12-28 This book is an interdisciplinary study of the relationship between prophecy and politics in South African Pentecostalism The role and the power of prophecy in enhancing the presence of politicians in the church square are unpacked through historical examples as well as case studies of contemporary prophets Solomon Kgatle argues that the influence of prophecy in politics has the potential to weaken the

prophetic voice of the church in general and the Pentecostal movement in particular He proposes a Pentecostal political theology of prophecy This theology is developed by taking into cognizance the theoretical and theological frameworks of prophetic imagination and pneumatological imagination In addition this theology seeks a balance between prophecy and power and prophecy and sovereignty *Re-Visioning African Pentecostal-Charismatic Ecclesiology in the Public Sphere* Christian Tsekpoe, Lord Elorm Donkor, 2024-09-05 Despite the current impressive numerical growth of Pentecostal Charismatic Christianity in Africa there remain some concerns about the extent to which the church is making the desired impact in the public space As the church grows numerically the African continent is ironically plagued with many regrettable stories of corruption bad governance sexual abuse gender discrimination and perversion environmental degradation robbery economic crisis leading to poverty and hunger wars and other social vices This paradoxical increase in vices alongside the demographic growth of the Christian population on the continent has caused many to question the social impact of African Christianity *Re Visioning African Pentecostal Charismatic Ecclesiology in the Public Sphere* is a response to these observations The contributors to this volume who are made up of seasoned academics theological educators and missiologists and mission practitioners have engaged the subject from multidisciplinary perspectives highlighting significant contributions of African Pentecostalism while pointing out critical areas for urgent attention The volume is intended to stimulate conversations around the church's mandate of influencing the public sphere as an agent of social transformation *Paideia* Dr. Joni Nicole McAllister, 2024-10-31 Overseer Dr Joni Nicole McAllister was born in Brooklyn New York to the late John Allen McAllister Sr and the late Virginia Scott McAllister She is the second of eight children who grew up in the South Bronx The author currently holds both Associate and Bachelor of Science degrees in Business from Empire State University a Master of Arts in Theological Studies degree from Liberty University a Master of Divinity degree and a Doctor of Ministry degree from Apex School of Theology In her forty years of ministry she has a passion for training associate ministers who are called by God but have little or no adequate ministerial training to address the needs of their congregation or provide support to their senior pastor Joni is the founder of Paideia University located in Greenville North Carolina which assists in training pastors associate ministers and ministry leaders *Paideia The Associate Minister's Training Manual* is her first book A second book *Paideia The Associate Minister's Workbook* will be released in 2024 Joni worked as a customer service representative and retired from Verizon Communications after twenty six years of service Joni is the Senior Pastor of Healing Word Ministries which is located in Greenville NC She is an ordained Overseer who serves under the auspices of the Presiding Bishop Tibeary Nashaun Burkett and Executive Pastor Krystal Burkett of the Progressive Fellowship of Churches Corona New York Joni loves the Lord and the church where she serves She enjoys fun times with her family and friends gospel music classic black and white movies concerts and traveling Her future goals are to learn to swim and play the violin Joni currently lives in North Carolina **The Routledge Handbook of Pentecostal Theology** Wolfgang Vondey, 2020-03-31 Research on

Pentecostal and Charismatic Christianity has increased dramatically in recent decades and a diverse array of disciplines have begun to address a range of elements of these movements Yet there exists very little understanding of Pentecostal theology and it is not uncommon to encounter stereotypes and misperceptions Addressing this gap in current research The Routledge Handbook of Pentecostal Theology is an exceptional reference source to the key topics challenges and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject Comprising over forty chapters written by a team of international contributors the Handbook is divided into five parts Contextualizing Pentecostal Theology Sources Theological Method Doctrines and Practices Conversations and Challenges These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism divine healing or eschatology unique practices such as spiritual warfare and worship and less discussed issues such as social justice and gender each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement The Routledge Handbook of Pentecostal Theology is essential reading for students and researchers in Pentecostal Studies World Christianity and Theology as well as scholars working in contemporary Religious Studies **The New Apostolic**

**Reformation** John Weaver, 2016-04-27 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary Jesus Camp 2006 the New Apostolic Reformation's influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherding movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation's organization how the movement spread and its national and international objectives Biblical Foundations for the Role of Healing in Evangelization

Mathias D. Thelen, 2017-12-07 It's almost undeniable that God is working miracles of healing in evangelization today For theologians pastors and evangelists some questions arise What is the relationship between physical healing and the message of salvation Should the church really expect God to do healings in evangelization today Father Thelen answers these questions by examining the relationship between the preaching of the gospel and physical healing in the New Testament The gospel of Jesus Christ is not simply a message of fact it is a message of power that is often expressed through the working of deeds that serve as signs of the reality preached salvation As signs of the kingdom healings that accompany the preaching of the gospel play an indispensable role in bringing people to faith throughout the New Testament The result of this biblical study is a clarion call for the church to renew its faith in God's desire and power to confirm his word through healing As healing becomes more accepted and frequent in evangelization a Catholic biblical and theological approach to healing as it relates to evangelization an approach that can be different from its Protestant counterpart is necessary This modest book fits this need Egyptian Pentecostalism: When Cyclones of Divine Power Invaded the Ancient Land Tharwat Maher Nagib Adly

Nagib,2023-09-29 This book on Egyptian Pentecostalism is considered the first integrated monograph on the topic It invites scholars and students of Religions Renewal Studies and Pentecostalism around the world to discover a new arena of research Due to the sociocultural perspective of this study on Pentecostalism in Egypt the book also invites sociologists and scholars who study sociocultural and religious context of the Middle East and North Africa to add new trajectories to their studies No doubt that this study reveals what was concealed for decades regarding movements and revivals that broke out in Egyptian cities and villages A must read     *Pentecostal and Charismatic Spiritualities and Civic Engagement in Zambia* Naar M'fundisi-Holloway,2018-08-22 For the past sixty years the Pentecostal and Charismatic movement has played a major role in Zambia In this book Naar Mfundisi Holloway explains the history of this development and its impact on civic engagement She opens a discussion on church state relations and explains how the church presented a channel of hope in the wake of the HIV AIDS pandemic despite having a history that eschewed civic engagement In fact the pandemic propelled the church to work alongside the state in the fight against the disease Using interviews and historical analysis this book provides valuable insight into how Pentecostal and Charismatic churches have effectively engaged matters of civic concern in Zambia dating from colonial times     **There Is More** Randy Clark,2010-05
