Transcript

- 1** When I was nine, I broke the top of a cupboard in my bedroom. When Mum came upstairs and asked about the noise, I stood in front of the cupboard to hide it and told her it was nothing. After that, I put magazines and books on top of the cupboard so that Mum couldn't see it properly. I felt bad about not telling the truth, so I told Mum what really happened ... a few months later.
- 2** One day, my friend took a new smartphone out of her bag. I was envious because I really wanted a phone like that, but they cost so much money! I was very suspicious when she refused to say where it was from. I asked her which shop she got it from or if she found it somewhere, but she didn't say anything. I asked her again and again and in the end I found out that her parents gave it to her for her birthday. She was embarrassed to tell me at first because it was such an expensive present. I was just happy to know the truth.
