A Richard Judy Book Club and BBC Radio 2 Book Club pick. A truly feel good book club read. A 1 bestseller in ebook and audio. This year's Eleanor Oliphant. Funny, bittersweet and wholly original. Daily Express. Veronica McCreedy is about to have the journey of a lifetime. Veronica McCreedy lives in a mansion by the sea. She loves a nice cup of Darjeeling tea whilst watching a good wildlife documentary. And she's never seen without her ruby red lipstick. Although these days Veronica is rarely seen by anyone because at 85 her days are spent mostly at home alone. She can be found either collecting litter from the beach or people who litter the countryside should be shot trying to locate her glasses, someone must have moved them or shouting instructions to her assistant Eileen. Eileen, door. Veronica doesn't have family or friends nearby. Not that she knows about anyway. And she has no idea where she's going to leave her considerable wealth when she dies. But today, today Veronica is going to make a decision that will change all of this. I love this gorgeous book. Unflinching, stubborn, funny and moving. Veronica is an unlikely heroine who will sneak in and capture your heart. Trisha Ashley. Readers are falling in love with *Away with the Penguins*. Without a doubt, the most delightful, joyous and uplifting book I've read so far this year. Be prepared to fall in love. A gloriously quirky and life-affirming story of hope. Oh, how I loved this absolute gem of a book. Both heartbreaking and heartwarming.

**If These Walls Could Talk: Pittsburgh Penguins** Phil Bourque, Josh Yohe, 2019-10-01 THE PITTSBURGH PENGUINS HAVE BECOME ONE OF THE MOST STORIED FRANCHISES IN NHL HISTORY. Winners of five Stanley Cup championships, the Penguins have hosted generations of stars from Mario Lemieux and Jaromir Jagr to Sidney Crosby and Evgeni Malkin, all of whom have left an indelible mark on team history. Phil Bourque, who helped earn two of those Stanley Cup victories and who now serves as color commentator alongside Mike Lange for Penguins radio broadcasts, has gotten to witness more than his fair share of that history up close and personal. In *If These Walls Could Talk: Pittsburgh Penguins*, you'll relive some of that history from Bourque's memories of training camp with Lemieux to his stories of celebrating with and having to repair the Cup. Through singular anecdotes, only Bourque can tell about current and past players, coaches and opponents. This book provides fans with a one-of-a-kind insider's look into the Penguins' greatest moments, disappointments and everything in between.

**White Kids** Margaret A. Hagerman, 2020-02-01 Winner 2019 William J. Goode Book Award given by the Family Section of the American Sociological Association. Finalist 2019 C. Wright Mills Award given by the Society for the Study of Social Problems. Riveting stories of how affluent white children learn about race. American kids are living in a world of ongoing public debates about race, daily displays of racial injustice, and for some, an increased awareness surrounding diversity and inclusion. In this heated context, sociologist Margaret A. Hagerman zeroes in on affluent white kids to observe how they make sense of privilege, unequal educational opportunities and police violence.

In fascinating detail Hagerman considers the role that they and their families play in the reproduction of racism and racial inequality in America *White Kids* based on two years of research involving in depth interviews with white kids and their families is a clear eyed and sometimes shocking account of how white kids learn about race In doing so this book explores questions such as How do white kids learn about race when they grow up in families that do not talk openly about race or acknowledge its impact and What about children growing up in families with parents who consider themselves to be anti racist Featuring the actual voices of young affluent white kids and what they think about race racism inequality and privilege *White Kids* illuminates how white racial socialization is much more dynamic complex and varied than previously recognized It is a process that stretches beyond white parents explicit conversations with their white children and includes not only the choices parents make about neighborhoods schools peer groups extracurricular activities and media but also the choices made by the kids themselves By interviewing kids who are growing up in different racial contexts from racially segregated to meaningfully integrated and from politically progressive to conservative this important book documents key differences in the outcomes of white racial socialization across families And by observing families in their everyday lives this book explores the extent to which white families even those with anti racist intentions reproduce and reinforce the forms of inequality they say they reject

**This Kind of Child: The 'Disability' Story** K. Srilata, About the Book A SENSITIVE AND EYE OPENING ACCOUNT OF THE LIVES OF PERSONS WITH DISABILITIES AND THOSE AROUND THEM I am the mother of a child who did not fit the school system a child who was disabled by it She was a child who made errors mistakes that the school system was unforgiving of We were told by the principal of an alternative school that they could not possibly admit this kind of child My daughter went from being a child to this kind of child in that one moment When she started working on the book it was Srilata's daughter who was its protagonist But soon she realised that there was no way she could stop with her daughter's story With each step ahead or back she became acutely aware of the larger story of the things we frame as disability I have learnt that disability is profoundly political that it is heartbreakingly social In This Kind of Child Srilata brings together first person accounts interviews and short fiction which open up for us the experiential worlds of persons with disabilities and those who love them The book offers a multi perspectival understanding of the disability experience its emotional as well as imagined truth both to the disabled themselves as well as to those closely associated with them I have learnt that stories are always bigger than they seem at first bigger wider and deeper At the heart of this book is inter being and the question What does it mean to love and accept yourself or someone else fully
