

A vibrant, isometric illustration of a VMware lab setup. At the top, a network of dashed white lines connects various icons: two blue clouds, two orange circles with white dots, and two pink gears. Below this, the text "VMWARE LAB SETUP" is prominently displayed in a large, bold, blue-to-green gradient font with a thick black outline. In the foreground, a light blue desk holds two computer monitors and a black keyboard. The left monitor shows a line graph, and the right monitor displays the word "GIBB" in red. To the right of the desk are three server racks of increasing size, each with a glowing yellow front panel and multiple horizontal slots. The entire scene is set against a dark blue background with a subtle grid pattern and colorful lines connecting the elements.
