Easy Guide to Mesmerism and Hypnotism Marco Paret,James Coates,2007 This unique Book is the new enlarged and complete version of the earlier Easy Guide to Mesmerism and Hypnotism with added text and notes Dr Paret personally reviewed this new Edition as he applies with incredible success this ancient methodology into which he was personally initiated Mesmerism is completely different from modern hypnosis Mesmerism is the Western school corresponding to the use of Prana or Ki Chi in Orient Parts of the teachings of this school were never completely disclosed in print Dr Paret who is a genuine practitioner wrote a serie of notes which allow a better understanding of practical applications of these techniques and their actualness Many of the powerful results of Mesmerism

are scarcely reachable if only pursued through verbal hypnosis Dr Paret therefore accompanies you through your reading You will not only find here the original text of Dr Coates but also a better understanding of the original school of magnetism If you really want to immerse in this powerful world this is your occasion *Leading from Within* Robert Pater,1999-07 A leading consultant shows how to maintain inner calm influence others by controlling oneself develop intuitive judgment sustain concentration on goals react quickly to change and turn minimum effort into maximum gains by using martial arts concepts in business and management

Hypnotherapy P. Uma Devi,2021-01-06 Hypnotherapy is a spiritual science with tremendous possibilities of achieving holistic health without using medicines Use of hypnosis in treatment is known for millennia and had become popular in the 19th century But with the advent of psychoanalysis and advanced medical facilities it declined in popularity to be revived in the second half of last century Modern hypnotherapy is a rather young branch of healing discipline It is not properly understood and not utilized to its full extent mainly due to the misconceptions and lack of awareness In *Hypnotherapy Healing through the Mind* Dr Uma Devi has tried to present hypnosis and its therapeutic uses and benefits in a simple manner The principles and procedures of hypnotherapy and its applications are described with actual case studies from the author s experience Its easily understandable language and lucid presentation are sure to make the book appealing to the readers This book fills a lacuna in the published literature on clinical hypnotherapy where the different aspects of hypnotherapy and its varied applications are presented under a single title Topics covered include power of subconscious mind steps in hypnotherapy session emotional basis of physical diseases visualisation and guided imagery self hypnosis and regression therapy Applications including case studies in clinical non clinical and childrens issues are described
