

**FRAMEWORK FOR THE ANNUAL REPORT OF
THE STATE CHILDREN'S HEALTH INSURANCE PLANS
UNDER TITLE XXI OF THE SOCIAL SECURITY ACT**

Preamble

Section 2108(a) of the Act provides that the State and Territories^{*} must assess the operation of the State child health plan in each Federal fiscal year, and report to the Secretary, by January 1 following the end of the Federal fiscal year, on the results of the assessment. In addition, this section of the Act provides that the State must assess the progress made in reducing the number of uncovered, low-income children. The State is out of compliance with SCHIP statute and regulations if the report is not submitted by January 1. The State is also out of compliance if any section of this report relevant to the State's program is incomplete.

To assist States in complying with the statute, the National Academy for State Health Policy (NASHP), with funding from the David and Lucile Packard Foundation, has coordinated an effort with States and CMS over the years to design and revise this Annual Report Template. Over time, the framework has been updated to reflect program maturation and corrected where difficulties with reporting have been identified.

The framework is designed to:

- Recognize the *diversity* of State approaches to SCHIP and allow States *flexibility* to highlight key accomplishments and progress of their SCHIP programs, **AND**
- Provide *consistency* across States in the structure, content, and format of the report, **AND**
- Build on data *already collected* by CMS quarterly enrollment and expenditure reports, **AND**
- Enhance *accessibility* of information to stakeholders on the achievements under Title XXI.

^{*} - When "State" is referenced throughout this template, "State" is defined as either a state or a territory.
