**Papers Presented at the Conference on Zimbabwe-Rhodesia and U.S. Policy, U.S. Dept. of State, Washington, D.C., July 12-13, 1979**, 1979      **Resources in Education**, 1990      Zimbabwe in Transition Timothy Murithi, Aquilina Mawadza, 2011 Zimbabwe's Transition to Democracy in the post independence era has been a very difficult one To date there have been a number of sustained efforts by various local regional and international actors to move Zimbabwe towards democracy as well as attempts to find a lasting solution to the political and economic crises that seriously affected the country's progress from the late 1990s However these attempts have been less successful mainly because Zimbabwe has complex political and economic problems with interlocking national regional and international political and economic dimensions rooted in both historical and contemporary factors and developments To understand the complexities of the challenges to Zimbabwe's transition to democracy as well as prospects for political change and democracy in the country Zimbabwe in Transition critically examines both the historical and contemporary dynamics shaping political and economic developments in the country taking into account voices from a broad spectrum of Zimbabwean society including civil society faith based communities the diaspora women community leaders the media youth and regional actors such as SADC and the AU Book jacket      **Kanyenze: Zimbabwe: The Link Between Politics and**, 2023-03-20 In this accessible and authoritative book Godfrey Kanyenze provides a comprehensive and far reaching analysis of the socio economic development in Zimbabwe in light of the expanding authoritarianism and the ongoing destruction of democratic institutions during the four decades after independence Kanyenze describes the various phases of the socio economic development starting with 1980 when the people of Zimbabwe saw their hard won independence and new democracy as a promise for a      The Rhodesian Air Force in Zimbabwe's War of Liberation, 1966-1980 Darlington Mutanda, 2016-11-22 This book evaluates the development of the Rhodesian Air Force during the Second Chimurenga or Bush War 1966 1980 Airpower in irregular conflict is effective at the tactical level because guerrilla warfare is not a purely military conflict The Rhodesian Air Force was deployed in a war winning versus a supporting role as a result of the shortage of manpower to deal with insurgency and almost all units of the Rhodesian Security Forces depended on its tactical effectiveness Technical challenges faced by the Air Force combined with the rate of guerrilla infiltration and the misuse of airpower to bomb guerrilla bases in neighboring countries largely negated the success of airpower      Soil fertility research for maize-based farming systems in Malawi and Zimbabwe Stephen R. Waddington, 1998      **Resuscitation of African Languages** Isaac Mhute, Zilibele Mtumane, Vimbai Moreblessing Matiza, 2025-03-15 This book argues the case for indigenous African languages which have been stripped of their importance and are now often overshadowed both officially through governmental language policies and informally through attitudes and ideologies by former colonial languages The authors present case studies from a range of countries in the region arguing that languages tell us peoples identities and that by dropping their own languages in favour of foreign and

imperialist languages they lose their culture history and identity as well The book addresses many of the challenges currently associated with African languages with the intention of influencing policy and practice in favour of their resuscitation This book will be of interest to policy makers academics and tertiary students in fields including Language Policy and Planning Language Revitalisation Heritage Language Learning Indigenous and Endangered Languages and Language Attitudes and Ideologies *Economic Policy, Wildlife and Land Use in Zimbabwe* Kay Muir,1994

**Extractive Industry Indigenisation in Zimbabwe** Kennedy Manduna,2025-09-25 This book explains how and why Zimbabwe s extractive industry Indigenisation over promised its benefits yet under delivered upon implementation This book traces the history of uneven development in Zimbabwe from the initial days of colonialism to the present using the extractive industry as the unit of analysis to carve out a granular and empirical analysis of the preponderance of transnational corporate control and ownership in the country Indigenisation of Zimbabwe s extractive industries was intended to address mining inequalities by transferring wealth from rich non Indigenous mining capital to disadvantaged Indigenous citizens and communities This policy however was a response to political economic and social crises posed by the international isolation of Zimbabwe s government following the controversial Fast Track Land Reform Programme in 2000 2003 An intervention therefore which promised to address inequalities has thus been hampered by corruption co optation and collusion which has led to it not only failing to address uneven development but in actual fact worsening the situation By examining the hidden structures and infrastructures of power capital and minerals and placing extractive industry Indigenisation in capitalism this book makes a crucial scholarly contribution to the renewed and burgeoning debates around the resurgence of resource nationalism in general and the struggle for economic sovereignty in particular This book steers readers more broadly to look for new and diversified ways of empowering Indigenous populations and their communities through mining Indigenisation in ways that do not threaten economic and political stability This book will be of great interest to students and scholars of the extractive industries natural resource management African politics and African development *Uneven Zimbabwe* Patrick Bond,1998 Uneven Zimbabwe examines the influence of domestic and international financial markets and financiers in uneven development in Zimbabwe using and contributing to the tools of radical political economy Theoretically Bond begins with criticism of the classical Marxist concepts of finance capital for focusing on institutional characteristics and failing to grasp underlying dynamics Instead as economic crisis tendencies emerge the power of finance periodically intensifies temporarily displacing crisis through time and space and across geographical scales But the limits of the financial solution become evident when paper assets delink from the productive assets they are meant to represent as well as in the role that finance plays in amplifying uneven development across different economic sectors spaces and scales

**The Southern African Development Community in Zimbabwe** Rich Mashimbye,2024-02-13 This book narrates the unravelling of Zimbabwe a country that was once considered an inspiration on the continent of Africa in terms of socioeconomic development Recognising that many

factors contributed to the collapse of the nation and that this collapse was a process that occurred over a long period it looks at historical events and processes like the colonisation of the country and dispossession of the indigenous people and the misrule politically motivated violence and economic mismanagement that followed under Robert Mugabe as the pivotal moments that precipitated the subsequent fall of Zimbabwe The book also examines the role that the regional intergovernmental organisation the Southern African Development Community SADC played in trying to help Zimbabwe overcome its security political and economic challenges *Zimbabwe Books in Print* ,1993
