Phase I

Study Guide

Training for the juvenile probation officer is broken into two parts. Phase I is a six-week training period in which the JPO candidate completes observations and tasks from the JPO Checklist. The second part, Phase II is the five-week Juvenile Probation Academy. The Field Training Officer (FTO) assigned to the JPO candidate must ensure that the JPO candidate has completed this six-week Phase I training in preparation for Phase I Exam, which is the entrance exam to Phase II, the JPO Academy. The JPO candidate will have three opportunities to take the JPO Phase I exam and must obtain a score of 75% or higher to attend Phase II, the JPO Academy. Two of the three opportunities will be provided prior to the next available academy. Students receiving a passing score on their first or second attempt will be awarded a seat in that academy. Students needing a third attempt will be placed back on the waiting list and awarded a seat in the following academy upon receipt of a passing score.

This study guide will assist the JPO candidate in studying for the Phase I Exam.

Phase I consists of three stages which are described below.

Stage I: Administrative/Orientation Training/New Employee Training
