Sabbath School Study Guide 2015 Second Quarter:

The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

Revelation in the Song of Songs Vola Masoandro

Andrianarijaona, 2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God's names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare

read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God s laws Of course Even the sealing of God s people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book

Luke's Jewish Eschatology Isaac W. Oliver,2021 This book revisits the Jewish roots of Christianity More specifically this work investigates what Luke thought about the Jewish people and the end of time in light of ancient Jewish sources It is likely that Luke s views on these questions were not too different from the Judaism of Luke s time Luke believed that Israel would experience political and national restoration when Jesus would return as the victorious messiah

crucial global conversation about how to take on the problems of the 21st century Bill Gates New York Times 21 Lessons is simply put a crucial book Adam Kay author of Undoctored **Honorable in Business** Annetta Gibson, Daniel Augsburger, 2019-01-14 How can one be a Christian in the world of business not just on the weekend How can one be honorable in business Through the integration of the Christian worldview and business ethics this book provides Christians with a mental framework with which to answer these important questions Beginning with Genesis as the foundation for the Christian s worldview and the Ten Commandments as the outline for the Christian s ethical obligations the authors develop principles upon which ethical choices can be made even when working in a primarily non Christian oriented business environment The book is designed to be helpful both to those beginning their career in business and those already employed in business who struggle with how to engage in today s business environment while maintaining their commitment to God s vision for life to be both meaningful and honorable Topics of business ethics such as employee rights discrimination technology and privacy insider trading and accounting fraud and the special challenges of working internationally are covered The added value this book brings to these discussions lies in its serious consideration of the Christian worldview as foundational to ethical decision making in everyday areas of business **Pastoral Care and Counseling in Large/Mega Congregations** Jean Beedoe, 2016-08-04 Church growth in metropolitan communities motivated a short study concerning the pastoral care and counseling of immigrants specifically Black Caribbean congregants in large mega congregations Culture denomination history and interpretations of scripture enter into the dynamics of defining not only the pastoral office of leaders but their perception of care The phenomenological cycle of care is said to exist as an exchange happens between caregivers and care receivers Such an exploration of three congregations opened up rare concepts of the psycho social and spiritual nature that guide interpersonal relationships of family systems across cultures Large mega congregations desire women s as well as men s style of nurturing and of fellowship that form the characteristics of a sharing caring congregation The study implicated a need for more comprehensive interdisciplinary teaching methods to train church leaders and clergy It signals for an approach in practical theology to develop curricula for spiritual health of cultural plurality in congregations and community **A Is for Arson** Campbell F. Scribner, 2023-07-15 In A Is for Arson Campbell F Scribner sifts through two centuries of debris to uncover the conditions that have prompted school vandalism and to explain why attempts at prevention have inevitably failed Vandalism costs taxpayers hundreds of millions of dollars every year as students parents and even teachers wreak havoc on school buildings Why do they do it Can anything stop them Who should pay for the damage Underlying these questions are long standing tensions between freedom and authority and between wantonness and reason Property destruction is not simply a moral failing to be addressed with harsher punishments nor can the problem be solved through more restrictive architecture or policing Scribner argues that education itself is a source of intractable struggle and that vandalism is often the result of an unruly humanity To understand schooling in the United States one must first confront

the all too human emotions that have led to fires broken windows and graffiti A Is for Arson captures those emotions through new historical evidence and diverse theoretical perspectives helping readers understand vandalism variously as a form of political conflict as self education and as sheer chaos By analyzing physical artifacts as well as archival sources Scribner offers new perspectives on children s misbehavior and adults reactions and allows readers to see the complexities of education the built environment of teaching and learning evolving approaches to youth psychology and student discipline through the eyes of its often resistant subjects

Trauma and Recovery in Early North African Christianity Scott Harrower, 2024-04-22 Powerful religious elements for living in the aftermath of trauma are embedded within North African Christian hagiographies The texts of 1 The Passion of Perpetua and Felicity 2 The Account of Montanus Lucius and their Companions and 3 The Life of Cyprian of Carthage are stories that offered post traumatic pathways to recovery for its historical readership These recovery oriented beliefs and behaviors promoted positive religious coping strategies that revolved around a sense of safety re establishing community relationships an integrated sense of self and a hopeful story beyond trauma This book vividly demonstrates that hagiographies played a vital therapeutic role in helping early Christian trauma survivors recover and flourish in the aftermath of disastrous persecutions

1 Maccabees Daniel R. Schwartz, 2022-01-01 A new translation and commentary on I Maccabees that offers a fresh interpretation of the author s values and purpose First Maccabees composed in the second century BCE chronicles four decades of clashes between Hellenistic Syria and Judea from Antiochus Epiphanes s ascent to the throne in 175 BCE to the Hasmoneans establishment of an independent Judean state ruled by Simon and his sons In this volume Daniel R Schwartz provides a new translation of the Greek text and analyzes its historical significance In dialogue with contemporary scholarship the introduction surveys the work s themes sources and transmission while the commentary addresses textual details and issues of historical reconstruction often devoting special attention to the lost Hebrew original and its associations Schwartz demonstrates that 1 Maccabees despite its Hebraic biblical style and its survival within the Christian canon deviates from biblical and Judaic works by marginalizing God evincing scorn for martyrs and ascribing to human power and valor crucial historical roles This all fits its mandate justification of the Hasmonean dynasty especially the Simonides

America's Great Age of Rhetoric, 1770-1860 Merrill D. Whitburn, 2024-05-13 This book analyzes the advocacy conceptualization and institutionalization of rhetoric from 1770 to 1860 Among the forces promoting advocacy was the need for oratory calling for independence the belief that using rhetoric was the way to succeed in biblical interpretation and preaching and the desire for rhetoric as entertainment Conceptually leaders followed classical and German rhetoricians in viewing rhetoric as an art of ethical choice Institutionally a rhetorician such as Ebenezer Porter called for the development of organizations at all levels a sociology of rhetoric Orville Dewey highlighted the passion for rhetoric calling his times the age of eloquence

Encounters in Thought Aaron K. Kerr, 2019-10-17 Thinking is a dynamic process resulting from practices of integration. Thought encounters in openness, wonder, receptivity, and contemplation confer upon us intellectual work that is uniquely our own. Digital patterns, however, distract us from these creative encounters. Our intellectual searching is weakened and fragmented by frenetic consumption of information. We miss out on reason's innate pull toward integration and concrete reality. This book is an invitation to enter into openness, wonder, receptivity, and contemplation with deeper understanding and intentionality. We can do this by considering exemplars: persons who lived out the integrity of their hard-won beliefs. Each process of integration is applied also so that practical knowledge and practice become a way into this intellectual restoration. We need deeper knowledge won in the slow orbit of encounters. Encounters in thought are precisely what each generation needs to apprehend the cosmos, nature, authority, truth, and moral action. Responsibility to this ecologic age requires a reform of reason; this book is just one attempt to convey a way toward this restoration. [The Power and Purpose of Blood in God's Design](#) Cynthia Hsing-Wei Chang, 2024-04-30 How can Christians delve into the relationship between biblical law, narrative, and rituals to reconcile beliefs with cultural heritage? In this study, Dr. Cynthia Hsing-Wei Chang addresses the unfamiliar and impractical nature of Leviticus's ritual teachings for Christians, particularly in the context of Chinese culture's common practice of eating cooked blood pudding. Combining principles from biblical laws and rhetoric to distinguish Leviticus's literary structure, this book examines well-being offerings in the Old Testament and Ugaritic sacrificial documents and explores the meaning of blood atonement in rituals to provide a comprehensive theological response. By bridging ancient rituals and modern culture, Dr. Chang offers unique insights for cross-cultural understanding and practical guidance for those seeking to navigate cultural complexities while honoring their faith.
